CASE STUDY SUBMISSION TEMPLATE

Joe Green, Senior Physiotherapist

We intend that a case study will become a regular feature of the newsletter and would like to think of it as an experience sharing opportunity, rather than as an academic exercise. With this in mind outlined below are some simple guidelines to help shape your submissions. You could use this process as a reflection for your CPD! This could take you less than 30 minutes.

Please e-mail submissions to:
Joe.green@odstockmedical.com

Length of article
Maximum 2 sides of A4

Confidentiality
Refer to patient with letter e.g. Mr B (not real initial)

Content
Diagnosis and history: Please include relevant information, such as Previous Medical History, Social History, Drug History.

Subjective assessment and patient objectives: What are the problems from the patient's perspective and what do they hope to achieve?

Objective assessment and collaborative goals: What are the important objective features and SMART goals? Why did you choose particular outcome measures?

Treatment plan: This may be purely FES or a combined approach.

Outcomes: What do your outcome measures show?

Discussion: What are the clinical implications of your findings? How might the findings change your clinical practice?

In short, brush the dust off the CPD folders and get writing!
