Personal Property Inventory Form
Operation Identification

TUFTS
PUBLIC SAFETY

List all of your important valuables by description (make, model, color, size, etc.) and by serial number. Also note the location where you have engraved your personal identification mark. The most effective number is your state driver's license number. Put the abbreviation of the state it was issued in after the number (e.g.: S12345678 MA).

Description (make, model, color, etc.)	Serial Number	Where Marked
