A *single room* is a bedroom designed for only one resident while a *double room* is a bedroom designed for two person occupancy. A *Private room*, limited depending on availability, is a double room occupied by one resident. If available, private rooms will not be assigned until two weeks into the semester. Please contact the main office for more information on private rooms.

Apartments/rooms are all suite-style which means there are two or more bedroom units in each suite depending on the facility. Each resident will share community space and bathroom, for example, residents of the LLC will share the foyer, Lincoln, and West residents will share the living room, and residents of the Village will share the living room and kitchen space.

*The Washburn Village is open the entire academic year from opening in August through Closing in May. Residents do not have to vacate during Thanksgiving, Winter, or Spring Breaks

Dining Dollars are similar to a debit account and are accessed through your WUID. They are accepted at all dining centers on campus, including Union Marketplace, Corner Store, and Libation Station. Students may purchase additional dining dollars at their convenience. Transfer from Fall to Spring semester only.

BodBucks are discretionary dollars you can spend at several places on campus, including the Corner Store, Libation Station, Ichabod Shop, residence-hall laundry facilities, concessions and vending machines. Remain on student account as long as they are a registered student.

Meals/swipes can be redeemed at Lincoln Hall. They do not transfer from semester to semester.
