Adjunct Faculty Annual Self-Assessment

Name: _____

Department: _____

Courses Taught: _____

Date: _____

Dean and/or
Reviewed by Program/Teaching Chair: _____ **Date:** _____

Directions:
This form is a component of the overall evaluation process of adjunct faculty at ICC. Its purpose is to:

- Provide an opportunity for self-analysis and reflection of your teaching and develop goal/s.
- Identify faculty support at ICC that will help you to attain your stated goal/s.
- Promote continual assessment and improvement of your teaching and your students' learning.

The completed form will be reviewed by the Dean and placed in the Adjunct Faculty's HR personnel file along with other evaluation and assessment documents. The Dean or Program/Teaching Chair may schedule a meeting with the Adjunct faculty to review the assessment and goal/s to extend this assessment to a learning plan. *(This process was first developed by the Lead Adjunct Faculty, piloted in 2003-2004, and adopted by the Adjunct Faculty Advisory Committee and Adjunct IBC Team in Summer 2004. Use this revised version as the Professional Learning Plan/PLP for the Adjunct Faculty Blueprint for Success.)*

Please complete and ***return the completed form to your Dean and/or Program/Teaching Chair on or before December 15 and/or June 15 each year.*** The goal is for every adjunct faculty to complete this self-assessment **at least annually.**

A. Identify the **strengths** you bring to your ICC teaching and students.

B. Identify knowledge and/or skill areas relative to your teaching at ICC that you wish to **improve** or **enhance.**

C. List and describe **one or two goals** for the coming semester/year you wish to attain related to your ICC teaching and your students' learning.

Adjunct Faculty Name and Dept.: _____

D. List/explain any ways in which ICC can assist you in achieving your goal/s (workshop, mentor, technology assistance, peer evaluation, etc.).

Note: Upon review the Dean should detach the form at the dotted line and send to Organizational Learning, 340E, East Peoria Campus. Thank You.
