Solo Exhibition Proposal Information pack and application form

The following documents aim to assist potential exhibiting artists by providing clear guidelines about how to apply for an exhibition at Logan Art Gallery. Additional information can be found in the document **TIPS for Producing an Effective Exhibition Proposal**, which is available for download from the website or by contacting the gallery.

Guidelines

Logan Art Gallery accepts proposals all year round from interested artists. Your proposal should reflect the selection criteria (see below). Please note: generally each artist may submit only one proposal every two years due to popular demand on exhibition spaces.

Please read the information pack and application carefully. If you require assistance completing your application form, require an interpreter, or would like to discuss your exhibition proposal, please contact the Exhibitions Officer or Cultural Services Program Leader at Logan Art Gallery.
