**AN INVITATION TO MAKE
BAHADURGARH YOUR FUTURE**

Bahadurgarh

The Fastest Growing Suburb of Delhi

Ruhil Group invites you to make Bahadurgarh your future. It is one of the fastest developing residential town and industrial hub in the NCR region. Located west of Delhi on NH-10 and Kundli Manesar Palwal Expressway (KMP Connects NH-1, NH-8 & NH-10), 22 kms from Delhi Airport, Bahadurgarh is well connected through rail and road network to Delhi. Delhi Metro is proposed to expand uptill Bahadurgarh in the near future. Bahadurgarh is in close proximity with Gurgaon (30 km), another prosperous suburb of Delhi.

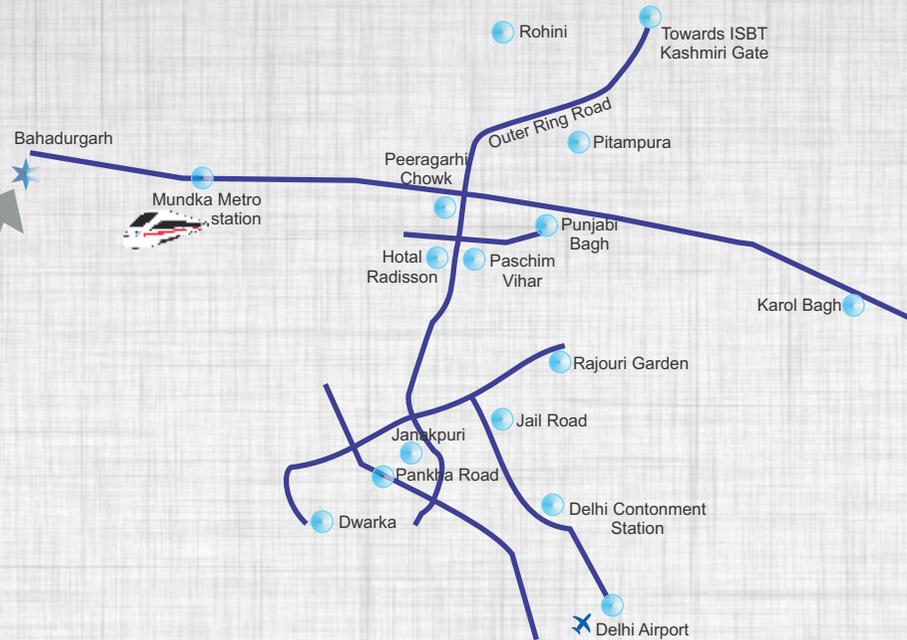

Bahadurgarh is poised for unprecedented growth as residential, commercial and industrial development is taking place in a balanced manner. Home to well known industrial units like Hindustan National Glass, Hindware, Somany Tiles, Parle Biscuits, Prakash Surya and Yokahama, the industrial growth in Bahadurgarh will support local economy. The four residential sectors developed by Haryana Urban Development Authority (HUDA) provides comfortable residential space for the local population.

Bahadurgarh has also developed into a centre for girls' education. In addition, there a number of private educational institutes providing computer and management education.

So, don't miss this opportunity to make Bahadurgarh your future.

Next to Delhi

Ruhil Group, was founded 15 years back in National Capital Region and since then has been scaling new heights by each passing day. The company has set new trends of architectural finesse in the contemporary global scenario touching the horizons of excellence. Established under the dynamic leadership of dynamic and enthusiastic professionals, Ruhil Group has led to creation of various landmark projects. The leaders and skilled professionals of the company have worked towards launching out of the league projects and take the real estate sector to the next level.

Ruhil Group's business philosophy derives its core strength from a firm belief that it lays stress on induction of state-of-the-art engineering techniques and use of top quality materials in construction projects. This results in the cost effective and holistic solutions specific to contemporary standards for residential complexes and business centres. Ruhil Group with its unparalleled business approach & vision is consistently working to create value for its customer and business partners. Using human resource and by harnessing the technological prowess, today Ruhil Group, is all set to expand its real estate operations and create edifices that will be the benchmark of architectural finesse.

The Ruhil Group is uniquely committed to serving its clients. It places financial safety, comfort and success of its investors second to none. The group was founded on trust and long-term relationship. As a result, most of Ruhil Group's investors have been with it for a decade, and most of them have invested in multiple projects.

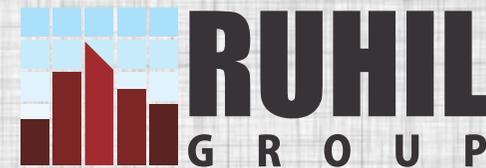

Ruhil Group has to its credit over million square feet of real estate under development both in residential, commercial and Industrial sector and these have been acknowledged as value products in terms of quality, aesthetics, overall planning, finishing and timely possession. Group is endowed with impeccable foresight, enviable expertise and innate acumen providing cost effective and holistic solutions to the real estate and construction world.

MD'S Message

“Partnerships are all about seeing the other person's viewpoint.”

At Ruhil Group, we take pride in our vision and insight of your world. It helps us appreciate your needs better. It is no secret that when you choose Ruhil Group, you choose the best and take a giant leap into a bigger and better future.

I sincerely thank you all for always standing beside us through the journey of Ruhil Group. Starting with a modest beginning, today Ruhil Group stands tall after delivering new age homes to hundreds of families. We cater to multiple geographies with real estate projects in all price points. Our focus has been on the common man of the country not only in Tier I cities but also in destinations that are new to organized real estate. In reciprocation, the market today recognizes us as a responsible leader. We believe that value creation is an everlasting phenomenon and trust is not built overnight.
