

## **UK CYCLING EVENTS**

### **Event Plan – South Downs Spring Sportive**

#### **Introduction**

UK Cycling Events organise amateur **non competitive** cycling events in the UK. These events support amateur cyclists by selecting low traffic, interesting and scenic routes which can be cycled at various lengths to suit all abilities.

UK Cycling Events provides a support infrastructure for these events including:

- Organisation
- Food and Water stations
- Breakdown assistance
- Route marking and monitoring
- General First Aid at food and drink stations as well as support vehicles

The aim of the event is to provide an environment for cyclists of all ages to have a safe and enjoyable cycle.

#### **Event Details**

**Date:** Saturday 7th April 2018

**Name:** Sigma Sports South Downs Spring Sportive

**Start / Finish Venue:** Plumpton Racecourse

**Routes:** 3 routes - Epic 80 mile / Standard 58 mile / Short 35 mile

#### **Estimated Riding Numbers**

- Epic Route: 400
- Standard Route: 400
- Short Route: 200

#### **Event Management**

Contact: 01425 653372

The Event Manager will be responsible on behalf of UK Cycling Events for all aspects of the organisation and smooth running of the event, including the administration of the Health & Safety policy and Emergency procedure.

One event co-ordinator will be positioned at all times at the event base and will have adequate means of bespoke communication with all of the event staff, food and water stations as well as the mobile support vehicles.

## **Event Health & Safety Policy**

To provide a safe environment for amateur cyclists to enjoy the cycling event:

- The participants will all be required to sign and agree with the UK Cycling Events terms and conditions. These are provided on the day and on the website, <http://www.ukcyclingevents.co.uk/terms/> (see appendix 4).
- Pre-event information packs will be sent to all riders to include the following safety videos on considerate cycling, course signage and essential items: <http://www.ukcyclingevents.co.uk/videos/considerate-cycling/>
- The cyclists should be reminded of their personal responsibility to ensure their own Health & Safety on registration.
- The cyclists must be reminded that the event is a sportive and not a race and anybody deemed racing will be banned from the event.
- Cyclists should be reminded to take enough food and water for the duration of the event.
- Cyclists will be advised of the route and the event emergency contact numbers which are printed on course maps and located on all front bike numbers.
- The event organisers will provide support vehicles to aid breakdown, retirements, medical assistance and to provide up to date event information to the event co-ordinator to ensure monitoring of the event routes, cyclists progress and route conditions.
- The event organisation will provide food and water stations at appropriate distances to supplement cyclists' provisions, ensure on route support and guidance, as well as monitoring progress of the event.
- The food and water stations, at village halls or equivalent, will have available general First Aid support as well as communication to the event co-ordination and support vehicles.
- All core members of staff are first aid trained and first aid kits will be located at the event centre, at each feedstation, and in every support vehicle.
- Moto medics will be based at the event centre in the morning and then roam the course. They will stay onsite until the last rider returns. We normally have two medics per event but this increases with number of riders and remote courses. They carry all their own equipment.
- Emergency contact numbers go through to the event manager at the event centre who will co-ordinate the medical or mechanical teams' movements.
- A mix of static, roaming and moto marshals will be used (see marshal section for more information).
- An emergency plan document has been circulated to all staff and will be located at the event centre.

## **Event Risk Assessment**

2 Risk assessments will be conducted prior to the event. The first 3 months at least prior to the event and the 2<sup>nd</sup> in the week prior to the event to capture any recent changes to the venue/ route (Risk Assessment Appendix 5).

## **Venue Details**

**Venue:** Plumpton Racecourse, Plumpton, East Sussex, BN7 3AL

**Toilets:** Male and Female Toilets will be available at the Event Centre

**Administration:** Event registration will be conducted at the venue

**Start procedure:** Riders will be started from 8.00 am to 9.15 am in small groups. These small groups will be spread out to avoid large bunches of riders on the roads. Due to the varying ability of riders, this will ensure the field of riders will be spread out so bunches and large groups will not occur.

### **Contact Details**

- General UK Cycling Event contact: 01425 653372
- Emergency contact: 07961 063 100

### **Weather conditions**

- Pre event checks: weather checks including extreme weather checks will be conducted using the Met office in the week lead up the event. The Event will be cancelled if the predicted weather conditions are too severe to conduct the event i.e. flooding.
- Monitoring of event day: The weather will be monitored on the event day and we have the option to cancel the event on the day and have 3 feed stations/ check points at which we can advise riders and arrange for safe transportation back to the Event Centre.

All cyclists are to report to event administration prior and post event. Each cyclist will be given a unique number so their progress may be checked and the cyclist identified.

Cyclists will be released on to the route in a maximum group size of 20 with a gap of 1-2 minutes between groups. The start and road entry will be marshalled to ensure full safety on entering the route. (Any cyclist not complying with the event start procedure will be asked to leave the event).

### **Marshals**

Parking marshals in high visibility vests will be used at the Event Centre. Marshals will also man the three feed stations on the route to offer assistance to riders. Feed Stations will provide food and drink, emergency spares and first aid. Route marshals, including roaming and moto marshals, will also be placed at specific points to warn riders of a potential hazard on the course such as a steep descent, busy junction and uneven surfaces. All marshals are provided with high visibility clothing and asked to fill in an incident log book while on duty as a marshal (see below).

Marshals are informed that they are not there to direct or stop traffic.

## **Appendix 4**

### **UK Cycling Events Terms and Conditions**

The Terms and Conditions detailed below apply to all entrants participating in any event organised and operated by UK Cycling Events Ltd and (where applicable\*) Rather Be Cycling. Completion of an entry form or purchase of an entry by every participant acknowledges acceptance of these Terms and Conditions by the participant.

- 1.** The participant accepts that the event they are entering is not a race in any format. Results will be published for individuals only and anyone considered to be competing against others, will be stopped from riding and banned from entering future events.
- 2.** The participant is fully responsible for their actions whilst attending the event. This includes the event centre and during the ride itself. UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling do not accept responsibility for the actions of the participant, nor the consequences of such actions.
- 3.** Each participant, upon signing the registration form or purchasing a ticket, agrees that they are physically and mentally capable of riding the distance they have chosen. If, during the event, they decide to change their route and distance, then all consequences of this action are theirs.
- 4.** The Event Registration Form or purchase of an entry to an event must be completed by a person aged 18 years or over. Evidence of age may be requested. Participants under the age of 18 years will be allowed to participate in the event with the consent of their parent or legal guardian who must sign the Event Registration Form or purchase a ticket on behalf of the underage rider. Signing or purchasing a ticket is also an acceptance for the actions and consequences of the underage rider. Under 16's need to be accompanied at all times by an adult who is responsible for them. Under 16's are not allowed to partake in any Adventure Cross event. Please see point 2 (two) in Section B.
- 5.** Each participant accepts full responsibility for any fees or costs incurred or arising from the need for repatriation.
- 6.** It is mandatory that all riders wear a safety approved cycling helmet complying with latest EN1078, ANSI Z90/4 or SNELL standards. Any rider not wearing a helmet will not be covered by the event insurance and will be disqualified from the event and could be liable for damages if involved in an accident on that basis. The rider must accept this as a condition of entry. UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling reserve the right to refuse entry to the event to anyone with inappropriate equipment or clothing.
- 7.** The participant confirms that the cycle/bike they are riding for the event and all of their equipment is of a suitable standard and state of trail/road worthiness. In particular, the ability to complete longest distance, and over rough terrain dependant on the event.
- 8.** During the event there will be warning signs at appropriate points on the trails or roads. Absence of these signs does not signal there are no dangers approaching and it is the individual rider's responsibility to make a decision regarding whether to ride a section or not. The marking of the route does not necessarily indicate that the trail or road is rideable and the participant is deemed to make their own decision about whether to proceed on bike, foot or not at all.
- 9.** Registering for a cycling event indicates your consent for UK Cycling Events Ltd to contact you with pre-event information and about relevant products or services and research via email, post, phone, SMS. You can opt out at any time via the unsubscribe links in the emails you are sent.
- 10.** Any marked route is shown for guidance only and UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling do not insist that you use the route shown. Therefore, if the rider chooses to ride a section, it is entirely their own choice. If they choose a different route to

avoid obstacles or sections they decide are beyond their capabilities, they do so entirely at their own risk.

**11.** You must obey all Highway Code rules. You are requested to ride in single file where appropriate and no more than 2 (two) abreast at any time. Please be aware of your fellow cyclists and any other traffic. Please always indicate your intention to stop or change direction. All cyclists must adhere to and obey the Highway Code, local bylaws and laws of England, Scotland, Wales and N. Ireland where applicable and extend all reasonable courtesy to other road and off road users.

**12.** UK Cycling Events Ltd reserves the right to shorten or alter the published route at any time. Participants do not have the right to claim a refund if the route is shortened.

**13.** Riders must be considerate to other users of bridleways, tracks, byways and public ways when riding off road. Upon seeing other users, such as horse riders, walkers, farm traffic, and other cyclists, etc. riders are required to slow down and pass with care. Where appropriate, riders should stop and wait at the side of the route for other users such as horse riders, etc. to pass safely.

**14.** Each participant will be fully responsible for any fees or costs incurred or arising from an accident either involving or caused by the rider. This includes, but is not exclusive to, fees from Police, Air Ambulance, Fire and Rescue and the Ambulance service. If the situation arises that you are not capable of making the decision to call the emergency services, the rider agrees that a member of UK Cycling Events Ltd, Time Inc. (UK) Ltd or (where applicable\*) the Rather Be Cycling Event Team or a member of the public may call for them. In this situation, the rider still accepts the costs and consequences of such actions.

**15.** Each participant hereby grants to UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling an exclusive, absolute and irrevocable worldwide assignment in perpetuity in the photographs/film/video/electronic representations and/or sound recordings of the participant obtained at the event and grants to UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling the right to use and publish such content in any and all media. The participant hereby releases UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling from any and all liability from such use and promotion. The participant hereby authorises the reproduction, sale, copyright, exhibit, broadcast, electronic storage and/or distribution of said photographs/film/video tapes/electronic representations and/or sound recordings without limitation at the discretion of UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling. The participant specifically waives any right to any compensation they may have for appearing in any of the photographs/film/video/electronic representations and/or sound recordings of the participant at a UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling event.

**16.** In the event that a participant fails to complete the course for any reason he or she agrees to return to or call the event centre before the close of the event and report to a member of staff. Not doing so will mean that a search may be organised and the subsequent cost will be billed to the rider.

**17.** Event entry fees cannot be refunded or transferred under any circumstances.

**18.** UK Cycling Events Ltd, Time Inc. (UK) Ltd and (where applicable\*) Rather Be Cycling reserves the right to cancel any event, due to extreme weather conditions of Force Majeure. In such an event, each participants entry will be automatically moved to the rescheduled event. If a Participant can't make this event, they can carry their entry to another event of an equal or lower ticket value within the following 6 (six) month period. No refunds will be issued.

**19.** It is a condition of entry for Events outside of the United Kingdom, that riders are covered by a suitable level of travel insurance to cover the potential activity and liability involved.

**20.** Participation in the event is at the riders own risk. Insurance cover is provided for all riders against a third party claim arising as a result of accidental damage to a third party property whilst participating in an event. This insurance cover is adjudged void if it is deemed the rider has acted negligently. No further insurance cover is provided by UK Cycling Events Ltd for riders participating in an event but UK Cycling Events Ltd strongly recommend each rider organises their own personal insurance cover. Adventure Cross participants must refer to point 3 (three) of Section B.

**21.** In the case of competition entries and or giveaways, the winner agrees to the use of his or her name, photograph and disclosure of county of residence and will co-operate with any other reasonable requests by UK Cycling Events Ltd and Time Inc. (UK) Ltd relating to any post-winning publicity.

**22.** Riders are expected not to drop or leave any litter on any part of the route and to dispose of it responsibly at an appropriate place or bin. Any rider found littering will be disqualified from the event.

**23.** Riders are expected to respect the roads, villages and countryside that the events travel through. It should be remembered that this is both a working landscape and home to many communities. Riders stopping for a comfort break are asked to do so discretely and appropriately and not to cause any offence to local residents or other riders.

**24.** In the case of Mountain Bike and Cyclocross events, riders are expected to close all gates after they pass unless otherwise instructed. Riders must not leave a gate open for a following rider. Gates should be opened and closed and not vaulted. Any rider causing damage to a gate will be liable for any costs to repair said damage.

	Place either side of major road crossings or crossings with a poor line of sight, to warn motorists of the potential of cyclists crossing.
	Placed to warn cyclists that they should proceed with caution over the next section of the course. E.g. a busy road/cattle grid etc coming up.
	To warn cyclists of an upcoming danger e.g. a ford.
	Used to advise cyclists to reduce their speed e.g. for a fast descent.
	Used to warn cyclists of a poor road surface e.g. potholes and cattle grids.
	Used to warn cyclists that there is a major junction ahead. This will normally be displayed with a caution sign.
