Mr. Wilke and Board of Education:

This letter serves as my official resignation from my position as Instrumental Music Teacher at ISD300. In addition, I resign from my extra duty contract as High School Band Head. I am resigning effective immediately, so that the hiring process may begin - however, it is my intent to serve out my duties through the end of this academic year and assist in the transition with a new director. It has been my absolute pleasure to learn, and grow, and serve our students in this District. Furthermore, it is my intent to continue to serve our students in the capacity of Assistant Principal/Activities Director. In this role, I pledge my wholehearted effort in assisting in the hiring process for a new Director of Bands for our School District.

Respectfully,

Jeffrey Copp
Director of Bands
La Crescent High School
