

## Housing and Development Questionnaire

***The Vision for Clymping 2029 proposes:***

- ***Countryside retained between Clymping and surrounding villages/towns to ensure a separate identity.***

To what extent do you agree with the importance of a countryside boundary for Clymping (please tick one of the following):

- ☐ Not at all
- ☐ It is nice to have
- ☐ It is important
- ☐ It is very important

***With reference to housing and other development the vision for Clymping proposes:***

- ***Housing and commercial development limited to those where a local need has been demonstrated and at locations chosen in consultation with Clymping residents.***

To what extent should development be limited to proven local need (please tick the statements you feel are most appropriate):

- ☐ There should be NO further development of housing in Clymping
- ☐ There should be NO further development of commercial premises in Clymping
- ☐ IF there is local need, new housing could be considered on site number ..... (please enter your preferences)
- ☐ IF there is a demonstrated local need for commercial development, I agree with the approach proposed in the vision
- ☐ The village needs to play a more constructive part in the development of housing and commerce proposed for Arun District

Please enter your postcode if you are a resident of Clymping: .....
