Instructions to Eagle Candidate: You need to obtain letters of recommendation from ALL of the individuals that are listed on your Eagle Scout application. You need to provide each of your references with a copy of this form along with a pre-addressed stamped envelope to return the letter to your Unit Committee's Advancement Chairman. The individual completing the reference form needs to sign across the flap of the envelope after they have sealed the letter of recommendation inside. The Letter of Recommendation is confidential and is to be sent directly to your Troop Advancement Chairman. If you do not have an employer, you may either omit this recommendation or obtain an additional letter from someone else who knows you. For your religious reference, you need to either obtain a letter from one of your spiritual leaders or an additional letter from your parents explaining your beliefs.

Instructions to Recommendation Writer: This letter of recommendation should be based upon your personal interaction with the Eagle Scout candidate and should take into consideration your observance of how he exemplifies the points listed below in the Scout Oath and the Scout Law. If you prefer, you may type your letter of recommendation and attach it to this form. Please address and send your letter to the Unit Advancement Chairman for the Eagle candidate's Scout Unit (Troop, Team, Crew, Ship). A pre-addressed stamped envelope should have been provided for this purpose. The letter should not be given to the Scout. Thank you for taking time to write this letter. Please sign across the flap of the envelope after sealing the letter of recommendation inside.

Instructions to Unit Committee: Please collect and hold all the letters of recommendation for your unit's Eagle Scout candidates. **Please do not open them or share them.** They are addressed to the Eagle Board of Review. The letters of recommendation along with the Eagle Candidates application and project write-up will be presented to the Board of Review.
