## DEAR NEW LSU STUDENTS,

Congratulations on your decision to attend Louisiana State University! As you prepare to begin a new chapter in your life, we encourage you to consider participating in fraternity or sorority recruitment. Our Greek community continues to experience growth and is considered a strong and vibrant component of the larger LSU community.

The LSU Greek community is proud of its history and is equally excited about the future. To ensure a safe and enjoyable experience for all Greek students, the University holds many expectations for all Greek students and Greek organizations. LSU expects all students to follow: all University policies and procedures, all state and local laws, and all policies of the inter/national organizations. Each semester, Greek students are provided with training and information on specific policies to include alcohol, hazing, drugs, and sexual misconduct. Likewise, LSU has a no hazing policy and holds individuals and organizations accountable for their actions.

Our fraternities and sororities are looking for men and women who will contribute to their organization, the LSU campus, and the greater community. It is a balance of scholarship, service, social, and sisterhood/brotherhood. As Greek life prepares young adults for life, membership is an investment in your future.

If you choose to participate in recruitment, you will learn more about the leadership and service opportunities within the organizations and around campus, as well as opportunities within the inter/national organizations. Many of the leadership positions on campus are held by Greeks.

Fraternity and sorority members at LSU donate approximately \$900,000 to charitable organizations each year and participate in more than 43,000 hours of community service. In celebration of Greek Week, the LSU Greek community raised more than \$128,000 last year and built two houses for Habitat for Humanity of Greater Baton Rouge. Giving back to the community is a rewarding experience that all Greeks value.

The recruitment process for freshmen and transfer students interested in fraternities within the Interfraternity Council and sororities within the Panhellenic Council are outlined in this publication. Students interested in National Pan-Hellenic Council (historically African-American organizations) fraternities and sororities should understand that membership is offered to students during their sophomore year. Sigma Lambda Gamma multicultural (historically Latina-based sorority) also facilitates an intake process in September and February. Sigma Alpha sorority shares a joint relationship with the Panhellenic Council and the College of Agriculture. They also facilitate their recruitment process in September and February.

For additional information on NPHC fraternities and sororities, Sigma Lambda Gamma, and Sigma Alpha, please visit our website at [lsu.edu/greeks](http://lsu.edu/greeks).

We invite you to participate in the recruitment process. Being a member of a fraternity or sorority will make your time at LSU more enjoyable. We look forward to meeting you in August!

## DEAR PARENTS,

*The college experience is a major transition and exciting time in your student's life. This new time brings opportunities, challenges, and rewards. Participating in Recruitment or Intake is a great way to meet new friends. Greek organizations are the largest and most visible values-based organizations on campus. In its 151th year, Greek life remains an integral part of Louisiana State University. More than 5,000 students are Greek, 22 percent of the student body, and make up 39 Greek organizations. Involvement on campus and in the Baton Rouge community, personal growth, leadership development opportunities, and life-long friendships make Greek life one of the most memorable aspects of a student's experience at LSU.*

*Academic support and assistance is a priority. The all-sorority and all-fraternity academic averages, as well as the Greek five-year graduation rate, continue to remain higher for Greek Students than non-Greek students.*

*The Panhellenic Council, the Interfraternity Council, the National Pan-Hellenic Council, Greek Board of Directors, as well as the Greek Life office, co-sponsor speakers addressing the topics of hazing, sexual assault, and drug and alcohol education. Annual programs include EMPOWER, the underclassman leadership retreat, the January Officers' Training workshop, and the Tri-Council Leadership Retreat. These events help foster leadership development of chapter members and officers. Chapter president, advisor, and house corporation meetings provide sharing and networking exchanges. Each opportunity is designed with one thing in mind - maintaining a strong, healthy, and thriving Greek community.*

*In its fourteenth year, the Greek Board of Directors coordinated fundraising efforts of the 39 chapters and raised more than \$128,000 through an all-Greek Community letter writing campaign. The students, in conjunction with Habitat for Humanity of Greater Baton Rouge, built two homes for two families in eight days in celebration of Greek Week. In addition, Greeks donate more than \$900,000 collectively to charitable organizations and contribute more than 43,000 hours of community service on average each year.*

*The Greek Excellence Fund, through the LSU Foundation, ensures Greek life at LSU will remain strong. Leadership and development ensures that students are afforded the best possible experience to lead their respective organizations, as well as the community as a whole.*

*The mission of Greek Life at Louisiana State University is to assist the Greek community at LSU to become a healthy, living/learning community based on institution and fraternal values demonstrating leadership and peer accountability.*

*Louisiana State University and the Greek community expect their organizations to live their values by focusing on building brotherhood/sisterhood through character enhancement, leadership development, academic achievement, commitment to service, life-long friendships, and social experiences.*

*Greek organizations support and enhance the mission of LSU. As a subset of the campus community, the Greek community collaborates with the host institution to address alcohol misuse and hazing. We expect personal responsibility from members of our community and accountability through self-governance.*

*Greek Life, working with chapter advisors and collegiate leadership, are resources to assist Greek students during their time at LSU. We are here to help!*

*Geaux Tigers!*

VERY IMPORTANT

# Recruitment / Intake

INFORMATION

**ALL FRATERNITIES & SORORITIES** at LSU are inter/nationally based, meaning they are a part of a larger inter/national organization. These organizations nationally, as well as locally, are private, single-sex organizations and are recognized by Louisiana State University as such.

Students interested in participating in recruitment or intake should first and foremost learn about the process, research the organizations, and most importantly, the expectations.

Although the mechanics of the recruitment process are coordinated by the Panhellenic Council (PHC) and the Interfraternity Council (IFC), the membership selection practices and procedures are determined by each respective fraternity and sorority. Neither the respective councils, nor the University may interfere with membership selection processes per this status.

Intake dates for Sigma Lambda Gamma Sorority and National Pan-Hellenic Council (NPHC) organizations are determined by each respective fraternity and sorority. The LSU Greek Life office determines Membership Intake Policies regarding the timeline and requirements of the process, not membership selection. Neither the Council, nor the University may interfere with membership selection processes and decisions.

Approximately 75-80 percent of the students who participate in the recruitment and intake processes are selected each year. The process of sorority and fraternity recruitment and intake is referred to as a mutual selection process. There are no guarantees for membership in the mutual selection process.

## COUNCIL SPECIFIC IMPORTANT POINTS

For women participating in the **PHC SORORITY RECRUITMENT PROCESS**, the average GPA considered is a 3.0. In some rare instances exceptions are made. Academic performance in high school or college, if an upperclassman, is an important membership criterion. Therefore, it is unlikely that a woman wishing to be in a sorority will be considered in the membership selection process if her grades fall below these requirements. In addition, letters of recommendation are highly recommended (see definition).

For men participating in the **IFC FRATERNITY RECRUITMENT PROCESS**, it is important to note that receiving a bid and pledging an IFC fraternity does not guarantee initiation. The new member/pledge period, usually 6 weeks for fraternities, includes the period of getting to know the new members. It is possible that a new member/pledge could be asked to relinquish his membership at any point prior to initiation if the fraternity so desires.

Membership selection into an **NPHC ORGANIZATION**, as well as **SIGMA LAMBDA GAMMA SORORITY**, is referred to as the "intake process." Intake has replaced pledging and has three important components: the pre-initiation orientation, the initiation ceremony, and an in-depth education program that follows initiation. Each NPHC organization has its own specific intake process that may vary in time, content, and expense. Alumni(ae) advisors supervise the intake procedures and are present at all activities.

Fraternity and sorority membership is a lifetime commitment. It is based on membership responsibilities to include financial commitment and participation, as well as standards and behavior. The benefits include a support group of "like-minded" individuals that will serve as a family, a home away from home, and a group of life-long friends.

IT'S ABOUT THE FOUR MAIN  
GUIDING PRINCIPLES OF THE  
FRATERNITY AND SORORITY  
EXPERIENCE:

*Scholarship,  
Brotherhood/Sisterhood,  
Leadership,  
Philanthropy*

# Brotherhood & Sisterhood

**ONE OF THE MOST IMPORTANT** aspects of joining a fraternity or sorority is the bond of brotherhood and sisterhood. There is a sense of unity and friendship among members of each chapter, as well as a feeling of Greek unity on campus.

The recruitment process introduces students to individuals who come together to share common interests and form a cohesive group. It is often said, "Friendships developed in college will last a lifetime."

Greek life is an experience that one never forgets. Students find that members of their chapter will have similar goals, values and ideals. Having these things in common with the organization provides a sense of acceptance and belonging. Brothers and sisters will be there to share the college experience but will also stay close for years to come.

## LIVING AND DINING IN CHAPTER HOUSES

All students living on-campus must have an LSU meal plan. Housed sororities and fraternities offer new members the opportunity to eat meals at the house. The process of altering the on-campus (LSU) meal plan is communicated to new members by their respective fraternity/sorority in the first week of membership.

It is important to note that a fraternity/sorority may not require a new member to eat all meals at the house, unless this expectation is communicated during the recruitment process. Guidelines for living in a fraternity or sorority house varies from chapter to chapter. First semester freshmen may not live in the house.

## RESPONSIBILITIES

In addition to financial responsibilities, being a member of a Greek organization typically requires at least one meeting per week, usually Monday, Tuesday, or Wednesday evenings. Participation in community service, the organization's philanthropy and another campus organization is also expected.

# Scholarship

## CHAPTERS ABOVE THE ALL-MEN'S OR ALL-WOMEN'S AVERAGE

[based on fall 2017 grades]

**THE PURPOSE OF COLLEGE** is to achieve an education, and Greek organizations are committed to their fraternity and sorority value of academic achievement. Providing an atmosphere in which each member can achieve academic self-responsibility is of utmost importance. Many chapters assist new members in developing good study habits and time management skills, making the adjustment to college easier. Fraternity and sorority members are represented in various academic honor societies on campus including Omicron Delta Kappa, Phi Kappa Phi, Phi Beta Kappa, Alpha Lambda Delta, Phi Eta Sigma, Gamma Beta Phi, Order of Omega, and Rho Lambda.

Whereas the Panhellenic Council may not establish a grade point average to participate in sorority recruitment, PHC sororities make membership selection decisions based on high school/college GPA. Typically, but not always, sororities require at least a 3.0 high school GPA and a 3.0 college GPA. In some rare instances exceptions are made.

NPHC fraternities and sororities require at least 15 hours of completed course work and a 2.5 GPA.

# Philanthropy

**THIS PAST YEAR,** members of fraternities and sororities at LSU raised more than \$128,000 to build two Habitat for Humanity houses for two Baton Rouge families. Nearly half of the Greek community participated in the fundraising portion of the event, and more than 1,000 members participated in the actual building of the houses during Greek Week, the eight-day blitz build.

LSU Greeks are known for their commitment to philanthropy and community service. Fraternity and sorority members contribute thousands of hours each semester to philanthropies and community service projects. The Baton Rouge community frequently benefits from the generosity of LSU Greeks.

Through annual fundraising and hands-on service, thousands of dollars have been raised and numerous hours of volunteer time have been recorded. During the 2017 school year, Greeks donated more than \$900,000 and performed nearly 43,500 hours of community service.

## ORDER OF OMEGA

HONORING GREEK LEADERS SINCE 1959

**ORDER OF OMEGA IS THE LEADERSHIP AND SCHOLARSHIP HONORARY ORGANIZATION FOR GREEK MEMBERS. THE PURPOSE OF THE ORDER OF OMEGA IS THREEFOLD:**

- ▶ First, to recognize students who have attained a high standard of leadership in inter-Greek activities, to encourage them to continue along this line and to inspire others to strive for similar conspicuous attainment.
- ▶ Second, to bring together the most representative fraternity and sorority members and to create an organization which will help mold the sentiment of the institution on questions of local and intercollegiate affairs.
- ▶ Third, to bring together members of the faculty, alumni and student members of the institution's fraternities and sororities on a basis of mutual interest, understanding and cooperation.

*Fraternities and sororities have been a part of the rich history of LSU for over 150 years. Traditionally, we have challenged students to achieve ever greater heights intellectually, personally and socially.*

## RHO LAMBDA

Rho Lambda is the Panhellenic leadership organization. The purpose of this organization is to honor women within the Greek community who have been outstanding in the display of demonstrated leadership, ability and loyalty to the Greek community and their sorority.

GREEK BOARD  
OF DIRECTORS

During the spring semester, first year Greek students have the opportunity to attend **EMPOWER**, a weekend-long leadership retreat. EMPOWER not only serves to develop

skills for tomorrow's Greek leaders, but also to educate these students on the history and culture of their respective Greek councils and chapters on campus.

For fourteen years, the Greek community has partnered with Habitat for Humanity of Greater Baton Rouge to build two houses during **GREEK WEEK**. This extraordinary community project is accomplished through months of promotion and fundraising by students. Since 2005, the Greek community has raised more than \$2 million for this cause through the **FUNDRAISING** committee.

In the spirit of competition, Greeks have been holding **SONGFEST** for 97 years. Each year, fraternities and sororities are paired together to choreograph a song and dance routine that highlights their respective talents and creative abilities.

*Established in 2004, the Greek Board of Directors serves as a programming board for Louisiana State University Greeks. GBOD coordinates, annually, events such as, Empower, Greek Week, & Songfest.*

**THE PANHELLENIC COUNCIL** is the governing body of 14 sororities on campus that plans the formal recruitment process. 12 of the 14 sororities participate in fall formal recruitment.

Sigma Alpha and Sigma Lambda Gamma conduct their own respective recruitment and intake processes. The Panhellenic Executive Council and Recruitment Counselors (Gamma Chis) compose the recruitment team. The recruitment team ensures that potential members have a positive experience during the process.

From the start of formal recruitment, potential members (PMs) are part of a small group of fellow potential members and are assigned a Gamma Chi (recruitment counselor). She is a member of a sorority, but during recruitment she is working for the Panhellenic Council. Each Gamma Chi has promised not to reveal her sorority affiliation; therefore she can give unbiased advice and reduce the pressure a PM might feel if she knew the Gamma Chi's Greek affiliation. The Gamma Chi's affiliation with her sorority during recruitment is confidential.

Gamma Chis will explain the recruitment process, answer PM questions, and help with problems that may arise. Potential members have daily meetings with their Gamma Chi to review the day's activities and receive additional information. The daily meetings are very important and attendance is required.

## IMPORTANT DETAILS

### RECRUITMENT CONVOCATION

Potential members will attend the Recruitment Convocation at 4:00 p.m. on August 11, 2018 in either the LSU Union Theatre or Union Ballroom. Come casual.

The Parents Convocation, held at 2:00 p.m., August 11 in the LSU Union Theatre, is not mandatory but is a great opportunity for parents to learn about the process of sorority recruitment. Come casual.

### UNIVERSITY HOUSING - MOVE IN INFORMATION

All in-state women participating in recruitment and living in University housing are permitted to move into their assigned rooms on Saturday, August 11, 2018. A \$30 Residential Fee will be assessed on these students' fee bills. Students will check in at their assigned building/residence hall and move belongings upon arrival.

Out-of-state women and those living 3 or more hours away from campus may check in on Friday, August 10, 2018. If approved to move in on Friday, an additional charge of \$59 will be placed on the student's fee bill by Residential Life (See Frequently Asked Questions at [lsu.edu/greeks](http://lsu.edu/greeks) for more details).

### OFF-CAMPUS RESIDENCES/ON-CAMPUS PARKING

Off-campus residents are women living in apartments, condos, houses, or with their parents. Only women who are scheduled to live in University housing may live in the residence halls during recruitment. If living off campus, a PM will need to provide her own transportation each day. Shuttles will be provided to and from Sorority Row during Recruitment.

### BAND, CHEERLEADERS, GOLDEN GIRLS, COLORGUARD & ATHLETES

Panhellenic makes every attempt to accommodate practice schedules and will make every effort to schedule as many recruitment events as possible, however, final membership decisions are made during recruitment events. Sororities may or may not consider inviting back PMs with excused absences. PMs will communicate their schedule conflicts with their Group Leader prior to arriving on Saturday, August 11, 2018 at the convocation.

### MEALS

Most meals are not included in the registration fee. The LSU Student Union food court will be open from 11:00 a.m. to 2:00 p.m. The campus meal plan is not effective until August 13, 2018.

- 1. COMPLETE THE 2018 LOUISIANA STATE UNIVERSITY FORMAL RECRUITMENT APPLICATION ONLINE BEGINNING JUNE 1ST AT [LSU.EDU/GREEKS](http://LSU.EDU/GREEKS).** Please do not submit recommendations to Panhellenic.
- The Recruitment registration fee is \$160 if received by July 13, 2018 at 4:30 p.m. An additional \$30 a night will be assessed by Residential Life to those students moving in prior to the official opening of Residence Halls.
- There is a late fee of \$100 if the application is received between July 13 after 4:30 p.m. and July 27, 2018. No applications will be accepted after July 27, 2018 at 4:30 p.m.

### LSU FRESHMAN/TRANSFER ORIENTATION SESSIONS

PMs should make every effort to attend a June or July orientation session. If circumstances prohibit and the PM attends one of the August orientations, which occurs in the middle of sorority recruitment, the absence will be communicated as an "excused absence" to the sororities. Sororities reserve the right to invite the PM with an excused absence to the next round of events. The priority must be attending orientation and scheduling classes.

### LEGACIES

A legacy is usually defined as a granddaughter, daughter, or sister of an initiated sorority member unless a national organization recognizes additional relatives. Each chapter has its own policies regarding legacies. Being a legacy of a chapter does not ensure membership. Each potential member is considered on an individual basis; a legacy is no more obligated to join a particular sorority than the sorority is obligated to pledge her. The potential member and the sorority are looking for compatibility, not necessarily a family connection to the group. Panhellenic has no policies regarding legacies. Each sorority has its own policy regarding legacies, and Panhellenic has no input in individual sorority membership decisions.

### WHAT TO BRING

Don't forget to bring all of your belongings for the fall semester. There is no break between recruitment and the beginning of classes.

- Umbrella (each day of recruitment) / Rain jacket
- Comfortable shoes and clothing
- Spending money ► Snacks ► Fan

**RECOMMENDATIONS** (or references) are a formal contact from an alumna to her sorority at LSU, which will give pertinent information about a PM's academics, activities and character to the respective collegiate chapter. The responsibility for providing letters of recommendation for potential members rests with the chapters (NPC guidelines). Although not required, it is highly recommended that the PM secure at least one letter of recommendation for each of the sororities at LSU by July 1, 2018. It helps foster the membership selection process by seeking out sorority alumnae who can provide the recommendation.

## STEPS

A potential member identifies at least one alumna from each sorority at LSU and provides each alumna who is writing a recommendation with two different pictures, a copy of her transcript, if possible, and an activity sheet or résumé. This should be done no later than May 31, 2018, to ensure the alumna has time to complete them by the July 1 deadline, or as soon as possible. Choose two different photographs of yourself that will make a good first impression. Where applicable, register with or notify your city or alumnae Panhellenic that you are participating in recruitment at LSU; they usually will assist in obtaining recommendations.

It is beneficial to have someone who the PM knows write the recommendation. Begin to inquire about and contact people who are members of sororities — teachers, coaches, family members, neighbors, family friends, etc. They do not have to be from LSU, just members of the 12 sororities participating at LSU. Let them know that you are participating in recruitment and that you would appreciate them writing a recommendation. Share the provided addresses in the box below with them in order for them to send the recommendation, your photos and résumé directly to the sorority.

It is encouraged to acknowledge someone who writes a recommendation with a thank you note. The Panhellenic Council does not monitor or track individual sorority recommendations.

Very often, women may not know of anyone in the area who is a sorority member. In this situation, the PM may visit this website [www.thesororitylife.com/recruitment-101/recommendations.aspx](http://www.thesororitylife.com/recruitment-101/recommendations.aspx) to inquire about the local person from their organization who coordinates recommendations. Be proactive and start early. Visit [lsu.edu/greeks](http://lsu.edu/greeks) for more information on recommendations.

## REGISTRATION FOR SORORITY RECRUITMENT

Meet all registration deadlines for recruitment. There are no exceptions

# LETTERS OF *Recommendation*

for late registration. Panhellenic will verify academic records with the University Admissions Office, as most high schools no longer provide hard copies of transcripts. PMs taking summer school classes may send additional grade information to Panhellenic, who will share it with the sororities. PMs will receive a confirmation e-mail and a copy of the Girl Talk magazine as soon as the registration process is complete. **IF THIS HAS NOT HAPPENED, A PM IS NOT REGISTERED.** The processing of applications begins June 1, 2018.

## SIGNING THE PREFERENCE CARD

After Preference, or the last round of events, a PM is asked to sign a preference card on which she will list the sororities she is interested in for membership based on the sororities she visited during Preference round. It is advisable to list as many sororities as are permitted in case she does not receive her first choice. However, if she truly does not wish to be a member of a particular sorority, she should not list it. It is not recommended that she attempt a single intentional preference, which is placing only one sorority on the preference card, by choice. This dramatically increases the likelihood that she will receive no invitation to join a sorority. However, if she only attends one preference party, it is OK to list only one sorority in the preference selection. On Bid Day, she will be offered only one invitation, which she may accept or regret. Regardless of the decision, this is a one year binding agreement which prohibits a potential member from pledging another NPC sorority for one calendar year. In some unfortunate cases, women are not extended bids from any sorority.

## INTERFRATERNITY

# Recruitment Process

**THE INTERFRATERNITY COUNCIL (IFC)** is the governing body for 20 fraternities on LSU's campus. As such, it establishes guidelines for managing the issues and activities of each of the chapters. The IFC Executive Board, comprised of seven offices, is responsible for executing recruitment.

The purpose of the council is to promote unity among the individual chapters, provide relations between the Greek community and the University, and to see that all rules, policies, and regulations passed by the council are followed by the fraternities. The council also provides leadership and structured programs for fraternity growth and development.

Recruitment Advisors (Rho Alphas) are members from chapters chosen to work with the executive officers of IFC during recruitment week. They serve as liaisons between the potential members and the chapters. They will also be available to help Potential New Members (PNMs) with the recruitment process and answer questions about fraternity life. They have attended trainings, which have prepared them to assist PNMs during recruitment. PNMs meet their Rho Alpha at the Pre-Recruitment Education Session on Monday, August 13, 2018 in the LSU Student Union Theatre.

Recruitment rules for IFC can be found at [lsu.edu/greeks](http://lsu.edu/greeks). During the summer, bids may only be issued by a chapter president or recruitment chairman. Other chapter members are not authorized to offer bids. Therefore, should this happen, those bids are null and void. Formal Recruitment begins August 15, 2018. Informal Recruitment begins August 20, 2018. Please note that all Recruitment activities are non-alcoholic events. For additional information visit [lsu.edu/greeks](http://lsu.edu/greeks).

**REGISTRATION** Complete the 2018 LSU IFC Formal Recruitment Application online at [lsu.edu/greeks](http://lsu.edu/greeks) by August 9, 2018. For more information, see the Frequently Asked Questions guide on the Greek Life website. Please register as soon as possible so that you may be invited to Recruitment activities over the summer. Upon receiving a bid or invitation to join a fraternity, an IFC membership charge will be assessed through a membership fee. Each fraternity will charge fees for membership. Fees range in costs and expenses and are listed on page 18.

## WHO WE ARE

The National Pan-Hellenic Council (NPHC) was founded May 10, 1930 on the campus of Howard University in Washington DC. It serves as the umbrella organization for the historically, but not exclusively, black Greek-lettered organizations, commonly referred to as the Divine Nine. The NPHC was chartered at LSU February 28, 1992. NPHC promotes interaction through forums, meetings, and other mediums for the exchange of information, and engages in cooperative programming and initiatives through various activities and functions.

# The NPHC Intake Process

## NEW MEMBER PROCESS

NPHC organizations at LSU recruit members through a process called **MEMBERSHIP INTAKE**. NPHC fraternities and sororities will individually announce their membership selection/intake process during the semester and will explain their membership process at the initial informational meeting. It is highly recommended that you research each fraternity or sorority carefully and attend events sponsored by the respective chapters and NPHC as a whole.

## MEMBERSHIP INTAKE

Generally, the membership intake process begins with an informational meeting. At the informational meeting, interested students are invited to learn more about a specific organization and the specifics of the application process for that organization.

After the informational meetings, potential members or aspirants are asked to complete a membership application and show proof that they have achieved the organization's minimum standards for academics, community service and leadership.

Following the submission of an application, interviews and selections will take place. In addition to fraternity/sorority dues and fees, a \$57 assessment for Greek Membership per semester will appear on each Greek students' LSU fee bill for 2018-2019.

Since its founding at Miami University (Oxford) in 1839, **BETA THETA PI** Fraternity has devoted its time to developing men of principle for a principled life. Beta Theta Pi's brotherhood aids the individual, builds the fraternity, and strengthens the academic institution through lifelong devotion to intellectual excellence, high standards of moral conduct, and responsible citizenship.

Beta's members share the common belief in mutual assistance in the honorable labors and aspirations of life, devotion to the cultivation of the intellect, unsullied friendship, and unfaltering fidelity. This lasting bond of friendship is cultivated by being a part of a group of individuals who share the same goals and values, constantly supporting each other in the pursuit of social, moral, and cultural excellence.

Since its colonization in the spring of 2015, members of Beta Theta Pi have committed themselves to representing Beta with the utmost respect, staying true to the values and traditions that originated 178 years ago. Beta's members are actively involved on campus, representing numerous student organizations, including Student Government, LSU Ambassadors, intramural sports, and many more. The chapter is proud to say that its members come from strong, diverse backgrounds that have molded true leaders who are devoted to leaving a legacy by the end of their collegiate careers, whether it is through philanthropy, brotherhood, or academia. But most of all, they are proud to call themselves Men of Principle.

**DELTA CHI** was originally founded as a professional law fraternity in 1890 at Cornell University, and it still holds as its cardinal principle respect for, and observance of, the law. Delta Chi became a general fraternity in 1922 and has grown to 130 chapters and colonies across the United States and Canada, incorporating over 107,000 initiates.

Delta Chi offers a unique opportunity for men to be a part of a common experience that they call the Brotherhood of a Lifetime. They are working to redefine the college social fraternity through the application of their founding values of promoting friendship, developing character, the advancement of justice, and the acquisition of a sound

education. After its original colonization at LSU in 1941, this university has proven to be an excellent community in helping Delta Chi's members achieve these goals.

Delta Chi strives to be an integral party of the LSU campus and community by incorporating these beliefs into their goals, thoughts, actions, and direction. One can find friends almost anywhere, but true brotherhood is a rare commodity. It's a relationship of caliber that goes beyond friendship to encompass a deep concern for the well-being of the individual, the pride of shared goals and group achievement, and a sense of being a part of something larger than oneself. With all of these ideals in mind, Delta Chi at LSU is certainly a Brotherhood of a Lifetime.

The Zeta Zeta chapter of **DELTA KAPPA EPSILON** was founded at old Centenary College in Jackson, LA on January 30, 1858. Three years later, at the inception of the American Civil War, the entire chapter was called to battle, and Zeta Zeta was disbanded.

When the fighting ceased, Zeta Zeta found that many of its members had perished on the battlefield. Unable to function as a chapter, the Zeta Zeta charter was returned to the mother chapter, Phi, at Yale University.

In the winter of 1908, on the campus of LSU, a group of students gathered with the intention of re-establishing the Zeta Zeta chapter of the Old War Skule. They formed a secret society called the Friars Club. After 15 years of effort, the Friars finally achieved their goal, and the halls of Zeta Zeta reopened in 1923.

In 1930, the Dekes built the first fraternity house on campus with the help of former Louisiana governor, Huey P. Long. More than 80 years later, the DKE house serves as a symbol of the rich and volatile history of Zeta Zeta.

Notable DKE alumni include U.S. Presidents, including George W. Bush and Theodore Roosevelt; Dick Clark, Tom Landry, George Steinbrenner, J.P. Morgan, and Howard Heinz, to name a few. Zeta Zeta alumni include former Louisiana governor, Mike Foster, former Louisiana senator, Russell Long, professional basketball player, Bob Pettit, and real estate mogul, Beau Box.

To be a Deke, one must possess, in equal parts, traits benefiting a gentlemen, a scholar, and a jolly good fellow.

The **KAPPA ALPHA ORDER** is a fraternity of long standing traditions, strong moral values, and a great sense of pride for the Greek Community. The men of the Kappa Alpha Order are a group of chivalrous gentlemen, great leaders, and nevertheless, men who will impact their community for the better. KA's chief founder, James Ward Wood, instilled into this fraternity the ways of a true southern gentleman, and the meaning of being a true, honest, and good man. Founded at LSU in 1885, Kappa Alpha Order is centered on honor, duty, and reverence. LSU's chapter, the Alpha Gamma Chapter, shows these values through the men that have walked within their halls and the men who are still walking through their halls today.

LSU's chapter is also defined by their philanthropic efforts toward the Muscular Dystrophy Association, or MDA. In addition, the men of Kappa Alpha are involved in numerous organizations in the Greek community and on LSU's campus. The Alpha Gamma chapter of Kappa Alpha is consistently within the top ten of all national Kappa Alpha Order chapters in money raised for their philanthropy. Their generosity and unselfishness towards others in need is just a slight glance at what The Kappa Alpha Order is about. These values, and beliefs as a fraternity, transforms them into men who serve their community and men who will impact others for the better.

The founders wanted to organize a Greek letter fraternity that would exemplify the ideals of brotherhood, scholarship, and service. The founders wished to create an organization that viewed itself as “a part” of the community, rather than “apart from” the community. The Iota Tau Chapter of Phi Beta Sigma Fraternity, Inc. was founded at LSU on October 1, 1976. Iota Tau prides itself on serving Louisiana State University and the Baton Rouge

It is a three vs three basketball tournament hosted at their very own basketball court at the Fiji house. The second philanthropy event is Fiji Survivor and takes place in the spring. This event benefits Fiji's national philanthropy, USO. At this event, every sorority creates a team to compete in a huge Fiji field day culminating in the ever-loved obstacle course.

In addition to their philanthropies, Fijis are very involved on campus. The brothers of Fiji are involved in varsity athletics, sports clubs, Greek life leadership, Volunteer LSU, and numerous other organizations. The members of Fiji also pride themselves on the competition of intramural sports by fielding a team in nearly every sport offered by the UREC. Thanks to this heavy involvement, Fiji has captured the LSU UREC Greek Championship for two consecutive years.

Academics are paramount to Beta Rho Fiji. Phi Gamma Delta has a motto "Scholarship, Fraternity, Self." Restrepo, and Mariano Ospina Perez, former presidents of Columbia.

Phi Iota Alpha's mission is to follow in the footsteps of their remarkable body of alumni and pillars in order to make an impact in their communities and in their countries, all while being regarded with the highest esteem. **SIGMA NU'S** past is a proud and colorful one. Founded by three cadets at the Virginia Military Institute in a period of civil strife known as the Reconstruction, Sigma Nu represented a radical departure from the times. The system of physical abuse and hazing of underclassmen at the Virginia Military Institute led James Frank Hopkins, Greenfield Quarles, and James McIlvaine Riley to form the "Legion of Honor" which soon became Sigma Nu Fraternity. Hence, amidst a backdrop of turmoil, North America's first "Honor" fraternity was established.

Sigma Nu transforms society through the commitment of its members to the Fraternity's founding principles: leadership and ethical living. Their mission is to develop

ethical leaders inspired by the principles of Love, Honor and Truth, to foster the personal growth of each man's mind, heart and character, and to perpetuate lifelong friendships and commitment to the Fraternity. Sigma Nu enhances the experience of its members and builds a sense of community in a way that generates a desire to invest time, talent and treasure in the development of both the organization and its future members. Sigma Nu members participate in many on-campus clubs and organizations, including Student Government, the Interfraternity Council, Order of Omega, and Tiger Athletic Foundation.
