Please provide all of the income information above for the Trust in section 2. **All qualified accounts are opened as margin accounts.** A margin account allows you to borrow from TD Ameritrade against certain securities as your collateral. A decline in the value of your securities may require you to provide additional funds, or force the sale of securities in your account. Selling short can expose you to potentially unlimited risk. To learn more about the potential benefits of margin borrowing and the associated risks involved, read the Margin Account Handbook. You must decline margin privileges if the governing documents of the Trust do not authorize margin borrowing.

☐ Check this box to decline margin privileges.

You offer me choices in managing all aspects of my portfolio. This includes offering different programs to earn interest on the cash in my account through our Cash Balance programs. See the Client Agreement for a complete description of the Cash Sweep program. **If I do not make a selection, my cash balances will be swept to the TD Ameritrade FDIC Insured Deposit Account. Other sweep choices are available for clients with a household value greater than \$500,000 and cash balances of more than \$100,000.** I understand my account statement will include sweep transactions involving money market funds in lieu of immediate trade confirmations.
