**RE: BREANNA MARTIN**

Ladies and Gentlemen:

I am writing this letter of recommendation for Breanna Martin who is a member of my soccer club and team. Breanna is an excellent soccer player and a very good student as well as a first class individual. She will be a very good addition to the Warner University soccer program.

Breanna is an excellent soccer player. Her best position would be as a Mid-fielder or Defender on either side. She has the speed, intelligence, technique and skill to build from the back. She is very coachable and a good man marker, 1vs.1. She is good at defending as well as getting forward and into the attack. She is a tenacious player and has great vision on the field.

I am confident that she will represent Warner University both well in the classroom as well as on the soccer field. As an individual she is disciplined, respectful, punctual, loyal, and has great Christian and family values.

Breanna possesses qualities that would enable her to be the best at what she does. She has always honored her commitments to the team. Breanna is also a leader, who leads by example on the field, and has the respect of everyone in the team and at the club.

In closing, I am really excited for Breanna Martin. She is a fine soccer player as well as very good student and first class individual. I recommend her highly and am proud to have her on my team as well as in life. Having helped numerous players to play at the college level, I am confident that Breanna will play at the highest level of college soccer. If you need any further information, feel free to contact me.

Respectfully submitted:
