

Dear Partners,

The NYS OGS has informed Cisco of the termination for convenience [Appendix B, Clause 60(b)] of the Comprehensive Telecommunications Equipment and Solutions "CTES" PT64525 contract. This contract will be terminated effective **November 30, 2017**.

Any current PT64525 deals that are not yet booked should be processed prior to this termination date of November 30, 2017. Please ensure that you are accessing and validating the current posted and approved price list for this PT64525 contract at: [NY CTES PT64525 Price List](#). NOTE: Since the State has not allowed Cisco to update this legacy contract since April 2016, please also check for the availability/orderability of these SKUs at Cisco's CCW since some may have been discontinued since April 2016: The URL to CCW is as follows: [CCW Price List](#).

Any future BIDs and orders should be procured under our Cisco NYS Umbrella PM20800 contract: [NY OGS Umbrella Contract](#). Please reference the approved and posted price link at: [NY OGS Umbrella Price List \(Cisco\)](#).

If you are not currently on our Umbrella contract PM 20800 as a reseller and wish to get on it, please send an email to contract-help@cisco.com with the following information and we will inform you when we are accepting applications for this contract (application schedule-TBD):

Subject: New York Umbrella Reseller Interest List
