# — ABOUT ASIA YOUTH INTERNATIONAL MODEL UNITED NATIONS

Asia Youth International Model United Nations (AYIMUN) is the largest organization-run Model UN conference in Malaysia and one of the most prestigious conferences in Asia-Pacific. The first AYIMUN was held in Kuala Lumpur in 2017 and was participated by more than 600 delegates. In the following year, AYIMUN took place in Bangkok, Thailand with over than 1000 delegates. In 2019, AYIMUN will be held in Putrajaya, Malaysia targeting over than 2000 delegates from many different countries.

Model United Nations is a simulation of a United Nations Conference attended by students, referred to as Delegates, who are assigned a country to represent in one of the United Nations numerous committees with pre-set topics to be debated. It is also a platform where young leaders from all over the world gather in one place with similar aims such as to improve their skills in leadership, negotiation, and diplomacy. The delegates will act as Ambassadors and attempt to solve global issues in accordance with the perspectives and policies regulated by the countries that they represent.

AYIMUN will raise the issue of Human Security that will also be accompanied with conferences conducted by several councils such as UNICEF, FAO, and Interpol. Reflecting on the previous success, we believe that AYIMUN will gain greater accomplishment than the past years.

AYIMUN will continue to improve its performance to attract more sponsors to be its partners. Moreover, AYIMUN has been conducting social projects to fulfill the company's responsibility.
