

Payroll outsourcing evaluation checklist

MAKING
payroll
PROFITABLE

To help you determine if payroll outsourcing is appropriate for your accountancy practice, check each question for which you are able to answer YES.

Compliance

Do you constantly monitor evolving payroll legislation and adjust your processes to ensure compliance? Yes No

Are you up-to-date with all related legislation, such as auto-enrolment? Yes No

Administration

Do you always process payroll on time with 100% accuracy to avoid costly financial penalties for errors or non-compliance? Yes No

Are you always able to answer payroll-related enquiries from your clients immediately and accurately? Yes No

Are you putting valuable, strategic practice goals on hold to complete repetitive administrative tasks? Yes No

Do you have the time you need to invest your skills and talents fully in your practice's strategic goals? Yes No

If you answered YES to most of the questions, then outsourcing may be an appropriate solution for you and your practice.
