

Dear Valued Customer,

Due to the cost increases imposed upon us by our suppliers, we are forced to raise our sporting clay prices to cover these new expenses. We have not had to increase our prices in the past 4 years, but regretfully we need to do so now.

Beginning on May 1, 2018 the following prices will take effect:

Sporting Clays

- **Current member rate per 100 targets: \$35.00**
- **May 1st member rate per 100 targets: \$37.00**
- **Current non-member rate per 100 Targets: \$45.00**
- **May 1st non-member rate per 100 targets: \$47.00**

Five Stand

- **Current member rate per round: \$8.00**
- **May 1st member rate per round: \$9.00**
- **Current non-member rate per round: \$9.00**
- **May 1st non-member rate per Round: \$10.00**

We greatly appreciate your support in years past and look forward to taking care of your shooting sports needs in the future.

Sincerely,

BSF
