

Project Partner Contract

I, _____ willing choose _____
as my partner to work with on a major project in science.
Project: Science Fair Project

By willingly entering this project as a partnership, the individual students agree to accept the collective grade(s) given to the project. The cooperative functioning of the partnership is not taken into consideration when the project is graded in part or whole, only the project itself. Therefore, the grade(s) from the project will be given to both partners regardless of time and effort put forth by either individual.

Both students must have this form signed and returned to the teacher to be allowed to work as a partnership on this project.
