7 Submitted in partial fulfillment of the requirements for the degree of * : _____

*Indicate degree exactly as it appears on the title page (e.g. Master of Science in Accountancy (Taxation))

8 I authorize California State University, Sacramento to digitize and distribute my thesis/project/dissertation for nonprofit, educational purposes via the internet (Scholar Works) or successive technologies and interlibrary loan.

This is an non-exclusive grant of permissions for specific offline and online uses for an indefinite term. Offline uses shall be limited to those specifically allowed by "Fair Use" as prescribed by the terms of United States copyright legislation (cf, Title 17, U.S. Code) as well as to the maintenance and preservation of a digital archive copy. Digitization allows California State University, Sacramento and its digitization vendors to generate image and text-based versions as appropriate and to provide and enhance access using search software.

I agree to the above statement (initial):

The bibliographic information (e.g. author(s), title, subject terms, number of pages) for your thesis/project/dissertation will be entered into the Library's online catalog at Sacramento State, the CSU-wide combined library catalog, and the international database, OCLC WorldCat, ScholarWorks.

9 ☐ ← Check box, if you are submitting SOFTWARE

If you are submitting software, please type or clearly write on back of this form information needed for use of the software. Include information on hardware (PC, Macintosh, etc.), software (DOS, BASIC, etc), screen type (color or monochrome), size and type of disk (low or high density), memory required and any other information relevant to effective use.

10 Please list a minimum of three (3) descriptive words or brief phrases, other than the words in the title, that will provide additional ways of finding your project/thesis/dissertation in the Library's online catalog:

11

Signature of Author (A)

Signature of Author (B)
