RE: Resignation from the Office of Shawnee County Sheriff

Dear Governor and Secretary:

I have thoroughly enjoyed serving the citizens of Shawnee County however; I have been faced with an opportunity to serve in a state-wide capacity. Therefore, Tuesday, April 2, will mark my last day as Shawnee County Sheriff. I am forever thankful for the citizens and law enforcement partnership afforded me during the multiple terms as Sheriff. My years of serving the people of Shawnee County have been extremely rewarding and that can attribute to professional men and women in the Sheriff's Office. Shawnee County is a reflection of the law enforcement profession across Kansas. Although my term as Sheriff is coming to an end, I look forward to serving the citizens of Kansas for several more years to come. Further, I look forward to greater partnership with the incoming Shawnee County Sheriff and statewide law enforcement professionals. Lastly, I thank the many supporters that have given my family and I the greatest experience one might have. Thank you and God Bless.

Respectfully yours,

Sheriff Herman T. Jones
