Re: Solicitation PR585-133-12; Calvert Square Family Investment Center Youth Program Services

The subject solicitation is cancelled in its entirety due to the following reasons:

All Offers received were priced above our budget allowance for the services.

The specifications failed to convey the level of services needed, thereby fostering a lack of clear understanding on the part of Offerors as to the level of services that should be priced in the proposals.

NRHA has reviewed the specifications for the services and found that the description of services does not fully meet our needs, as currently written.

Please save your proposal data, the Authority will revise the specifications quickly and issue a new solicitation for the services in the near future, most likely within the next 2 weeks. You are encouraged to review the revised solicitation as soon as it is released and prepare a revised proposal based on the revised specifications.

We appreciate your interest in providing services to NRHA and look forward to receiving your Offer pursuant to the new solicitation. Please do not hesitate to contact the undersigned if you have any questions regarding this matter.

Sincerely,

Tom Winder  
Senior Contract Specialist, NRHA
