## Notice of Price Increase Letter

Dear Valued Customer:

Our commitment to our customers drives us to offer the best products and pricing possible. Our dedication is why we are working diligently to minimize the impact of any price changes along the way by absorbing some of the increased costs and by providing you the most accurate information possible permitting you to manage your business going forward. However, the most recent changes in the Section 301 Action tariffs have affected some of our product lines.

Please be advised that beginning June 22, 2019, Champion-Arrowhead will be increasing prices by 7%, with the exception of a handful of SKUs, in our Champion Plumbing, Champion Irrigation, and REDIGRIP lines. Orders submitted on or after June 22, 2019 will be billed with the new pricing.

You can find our full list of price sheets with the price changes by clicking [here](#).

We sincerely thank you for your understanding of this situation and your continued support of Champion-Arrowhead. Please do not hesitate to contact your Champion-Arrowhead Sales Manager if you have any questions.

Regards,

Your Champion-Arrowhead Team
