Mr. Perry Dolan

Art Unlimited

Dear Mr. Dolan:

Thank you for offering me the position of Design Assistant with Art Unlimited. The offer was very appealing and I appreciate you giving me extra time to make my decision.

After much consideration, I have decided to decline your offer. I have accepted a position as Art Assistant with Connoisseur Magazine in New York City. The opportunity to gain experience working on a large publication such as Connoisseur was the main factor in my decision.

Thank you again for your interest in me. I appreciate your consideration.

Sincerely,

Baxter Webb
