Confirmation of Collaboration

To honorable the Office of UNPSA:

World Service Authority (WSA), a global public service human rights organization, has been providing human rights education, advocacy, and documentation to individuals throughout the world since 1954. The organization always strives to expand recognition of universal human rights and of the WSA documents, such as the World Passport and World Citizen registration certificate, based on the human rights treaties, declarations, covenants and conventions that all United Nations Member-States are bound to uphold. More than 185 countries, territories, provinces, etc. have recognized WSA documents.

As Official Representative of the WSA, I, Fahima Nayiby, hereby confirm that Human without Border Movement is the really right nominee for this great award, why I can recommend highly to be considered by the excellences board of award therefore:

- Human without Border Movement is very active in the field to support human rights, great attention to refugees and migrants rights
- The organization is totally lead by group of migrants and migrants activists
- Greater support they given to women rights and children protection from abuse, harassment and violence
- The organization is in line to SDGs
- The organization is active in policy and legal dialogues at national and regional level.
- The organization is promoting equality and non-discrimination actions and provide advocacy support
- The organization is strong voice of migrants and refugees as well human rights
- The organization has been registered legally and has global networks

We thank you for the support and assistance that you may provide through this award to promote and implement human rights and peaceful interaction among people. I wish you consider Human without Border Movement as one of eligible nominees for this award.
