## Materials

1. Venn Diagram template

## Virginia SOLs

1.9, 2.8

## Procedure

1. This activity can be used to compare two things (e.g., characters from a book, two books by the same author, two versions of a fairy tale, etc.)
2. Children can work independently or in a small group. Children begin by picking what they will compare in the diagram. Provide children individual Venn diagrams or work collectively on a large poster-sized Venn diagram.
3. Children should label each side of the diagram with an appropriate heading. In the two non-shared spaces, children list things about the topics that are unique and in the shared, middle space they write what the two topics have in common.
4. Children may illustrate and share their Venn diagram.
