

HOPE LUTHERAN CHURCH: YOUTH GROUP PERMANENT PERMISSION SLIP 2018-2019

By signing this form, I give my son(s)/daughter(s) permission to attend and participate in both social and physical activities that may take place both on and off the church's property. These activities may include being with Hope's youth group for a 1-3 day event. This permission slip covers the 2018-2019 school year and by using this form eliminates the numerous slips that are usually sent home for each specific event. However I understand I may choose to fill out a new form for each trip or event; and that I have the right to withdraw this permanent permission slip at any time in the future. I/we realize my son(s)/daughter(s) participation in youth group activities is contingent upon the church having the appropriate consent form on file. By signing I also permit youth leaders to contact me or my child by using any information I have filled out on this form, including my child's email and cell phone number. If I do not permit this I understand that I may leave these items blank. I grant permission for youth leaders to use the GroupMe app to communicate with my child(ren) about events, as well as the Facebook youth group page which are the only forms of social media communication youth group will use. This permission slip will remain in force until September 1, 2019.

As the youth's parent/guardian I agree to drop off and pick up my child up at the times provided by the youth leaders. If I am not able to pickup my child I will make arrangements with other parents or family members to do so. If youth leaders determine they will not be returning to the church at the previously established time, they or my child will attempt to reach me with an updated time of arrival. If I am late in bringing my child to an event I understand the group may leave without him/her. I also understand that if I am more than 15 minutes late to pick up my child, I will be contacted by Pastor Brian. If, after a third occurrence of my child not being picked up in a timely manner, the youth group leadership has the right to not allow my son(s)/daughter(s) participation in the next event or activity.

I also agree to a new policy of signing in/out my child(ren) at events. At the beginning of each event or activity, youth leaders will take attendance and parents/guardians will initial next to their name. At the end of the event, parents/guardians will do the same. Whether I pick up my child from the event location or at church I understand I will need to initial the attendance sheet. If I arrange for another parent or trusted adult to bring my child home, I will inform youth leaders of this and explain to the person the need to initial on the attendance sheet. I understand this is a safety policy for the protection of children in youth group.
