*Those who are able, please stand.

"God calls on all of us to make a total surrender to His Son Jesus Christ. First, surrender your mind. Some think that when you come to Christ, you have to leave your mind behind. Our faith is not irrational. Jesus will stand the inspection of any scientist, mathematician or intellectual in the world. ... your mind is more than a computer. In a computer, the programs don't get stronger the more you use them, but it's not true with what you see and hear. What is repeated is reinforced in our minds. What we remember influences what we do. Don't let the devil corrupt your mind. Second, surrender your body. The Bible says if you're a Christian, your body does not belong to you. It belongs to God. Your body is God's temple, and He dwells in you if you really know Christ. The devil tempts everybody, every one of us. Temptation is not sin. It's when you yield to temptation that it becomes sin. Christ died to give you a new heart and a new desire. Third, surrender your will. Before Jesus healed or helped people, He would normally say, 'Will you? Are you willing?' And I'm asking you, will you surrender to Christ? Will you let Christ dominate your life and be the Lord of your life? Will you?" *Billy Graham*
