

# Film Grant Proposal

## 1. Cover Letter

- Introduce your project and its creative vision.
- Explain how the grant will contribute to production, distribution, or outreach.

## 2. Executive Summary

- Summarize the project's storyline, goals, and requested funding.

## 3. Statement of Need

- Justify why your film is significant (e.g., social impact, unique storytelling).
- Discuss challenges in funding or audience reach.

## 4. Project Description

- **Synopsis:** Provide a brief overview of the film.
- **Goals:** Highlight artistic, educational, or cultural objectives.
- **Production Plan:** Detail timelines, crew, and resources required.
- **Evaluation:** Metrics like audience reach or festival entries.
- **Sustainability:** Plans for distribution or future projects.

## 5. Budget and Justification

- Include costs for pre-production, filming, editing, and marketing.

## 6. Organization Background

- Highlight your or your team's achievements in filmmaking.

## 7. Appendices

- Add the script, storyboards, or letters of intent from the cast/crew.
