

Giving The Basics

Dear Parents/Guardians,

The Park Hill School District has partnered with a group called "Giving the Basics". This program helps to provide needed household items that are not able to be purchased with your community assistance programs. We can supply these items to you each month and send them home with your student. Knowing you don't need to spend money on these items can allow you to use your funds on other things. We look forward to providing support to your family. If you have any questions, please feel free to contact your **Social Worker** or **Nurse**. You can also reach us by email at

Please complete form and return it to school. Your child can turn it in to their teacher.
