

# Daycare Teacher Lesson Plan

This format is for individual teachers to plan their lessons.

## 1. Teacher Name

- Name of the teacher responsible for the lesson plan.

## 2. Date and Theme

- Specify the theme of the lesson (e.g., "Shapes and Patterns").

## 3. Objectives

- What the children will learn during the lesson.

## 4. Activities (with timing)

### a. Introduction (10 minutes)

- Greet the children and introduce the theme.

### b. Main Activity (20–30 minutes)

- A focused activity planned by the teacher.
- Example: "Using building blocks to make patterns."

### c. Creative Time (20 minutes)

- Teacher-led craft or art activity.
- Example: "Create shape patterns using paper cutouts."

### d. Story or Discussion (15 minutes)

- Example: "Read 'Brown Bear, Brown Bear, What Do You See?' and discuss patterns."

**e. Physical Activity (15–20 minutes)**

- Encourage movement or outdoor play.
- Example: "Play 'Simon Says' with shapes."

**5. Materials Needed**

- List all items required for the teacher's planned activities.

**6. Notes/Follow-Up**

- Ideas for extending learning beyond the lesson.
