

Daycare Weekly Lesson Plan

This format covers a week's worth of lessons, allowing for a structured approach with flexibility.

1. Theme of the Week

- Example: "Under the Sea" or "Seasons of the Year."

2. Age Group

- Specify the target age group (e.g., 2–3 years, 4–5 years).

3. Weekly Objectives

- What children will achieve by the end of the week.
- Example: "Children will identify sea animals and learn about their habitats."

4. Weekly Schedule Overview

Day	Morning Activity	Creative Activity	Outdoor Activity	Story/Discussion
Monday	Introduce the theme: "Under the Sea"	Finger painting ocean waves	Water play with sea toys	"The Rainbow Fish" story
Tuesday	Counting sea animals	Make a paper jellyfish	Bubble-blowing fun	Discuss "What lives in the sea?"
Wednesday	Sorting sea animals by size	Create a seashell collage	Obstacle course	"Clumsy Crab" book

Thursday	Learn colors of the ocean	Make an ocean sensory bin	Beach ball relay	"Commotion in the Ocean"
Friday	Recap activities of the week	Group mural of the ocean	Free play outdoors	Theme wrap-up discussion

5. Materials Needed for the Week

- List materials for all activities, such as colored paper, paint, books, sensory materials, etc.

6. Assessment and Observations

- Reflect on how children engaged with activities and themes throughout the week
