

5th Indo-Japan International Symposium on
"Innovative Molecular Approaches
in Global Health Research"
Sept 20-22, 2010

INVITATION LETTER FOR SPONSORSHIP

Dear Sir/Madam,

It gives us great pleasure in extending you a very warm invitation to attend the 5th Indo-Japan International Symposium to be held on September 20-22, 2010 at Biyani Girls College, Jaipur, Rajasthan, India. The theme of the symposium is "***Innovative Molecular Approaches in Global Health Research***". The whole event is in two parts: two days symposium (Sept 20-21) and one full day workshop (Sept 22).

The themes for two day symposium are:

Session S1: Neuro-Immuno-Genomics

Session S2: Global health priorities-I: Malaria disease burden

Session S3: Global health priorities-II: Tuberculosis disease burden

Session S4: New technologies

The important features of the symposium

- Total 7 Keynote lectures from distinguished scientists from Japan and more than 10 Keynote lectures from distinguished scientists from India
- More than 50 oral and poster paper presentation from India and Japan
- A round-table meeting and discussion with experts from Japan and India
- A full-one day workshop for hands-on training on on-chip molecular diagnostics
- A half-day sightseeing tour to pink-city, Jaipur
- Publication of proceeding of symposium

As it is witnessed that the field of molecular techniques has already emerged exponentially into diverse fields of medical science, biopharmaceutical and pharmaceutical analysis, this symposium aims at finding links and relationships between molecular techniques and healthcare in the present global context. Therefore, we believe the event will offer an opportunity to entrepreneurs from Indian/Japanese industries in terms of ideas/knowledge-sharing and to drive new paradigm shifts in health care. A kind **sponsorship** from your company/industry will provide few bursaries and awards to enable young talents to attend this event. Your wise efforts will be cherished. The Sponsors will be benefited through advertisement which will be included in the proceedings of symposium.

We look forward to see your benign presence with active contribution and support to make this event successful. Your early response would be greatly appreciated as it shall enable us to make final announcements in time.

Sincerely Yours,

Manish Biyani

Chairman, IJS2010
