

## 2019 HOTEL LISTING

### State of Michigan Hotel Listing & Lodging Policy Guidelines

This listing is provided as a resource and does not expressly authorize, guarantee or warrant the hotels listed herein.

#### Lodging Policy

Conference rates are exempt from the rate limitation and can be made directly with the identified conference hotel at the published conference rate.

All other lodging reimbursement is limited to the published state rate (\$85.00) plus tax with a receipt, unless confirmed and reserved through the contracted travel agency [www.somtravel.com](http://www.somtravel.com)

All lodging must be supported by an itemized **receipt** produced by the vendor for reimbursement.

To expedite reimbursement please include all documentation required such as conference registration information, copy of travel agency confirmation or other documentation as required by your department.

#### Travel Reservations

The State of Michigan Business Travel Hub online reservation system [www.somtravel.com](http://www.somtravel.com) is for **“Business Travel Only”**.

If a hotel indicates that the state rate is not available and only offers a higher rate in excess of the \$85.00 limit, you must use the online reservation system [www.somtravel.com](http://www.somtravel.com) or an agent with Conlin Travel to book your reservation.

The travel agency CAN NOT issue a confirmation on lodging reserved directly with the hotel by the traveler.

**Personal Use – Do not use [www.somtravel.com](http://www.somtravel.com) this is for business use only.** If a hotel has indicated **Yes w/ID** those properties will allow state employees to utilize the government rate for personal travel when it is available with a State of Michigan ID. If a hotel has indicated No, they do not want the government rate used for personal travel.
