

PROJECT MANAGEMENT ROADMAP

sce-PM.uwm.edu

Save \$350
when you register for the
last course in your Project
Management Certificate.

Follow this easy-to-use guide to set up your certificate program or select courses based on specific needs. You'll save time, money and have a plan. [Visit our website for the Project Management Certificate – Online Track.](#)

Project Management Certificate

Earn the certificate in as little as eight months (not to exceed seven years), by completing 14 days of training with a minimum of 10 days of core courses. *Each class counts as two days, except where noted.*

Project Management Certificate - Advanced

Earn the certificate by completing eight additional days of advanced training after earning your PM or PM-Online Certificate. *Courses for the Advanced Certificate are distinguished by the plus sign (+).*
