

Reedley College Food Service

Meal Plan Information

Fall 2017 - Spring 2018

Welcome!

The Reedley College Food Service Team welcomes you to our campus. Reedley College Food Service has been providing quality food service for over 40 years and will continue to do so under the following Mission Statement:

Through our shared values we will provide quality food service to all students, staff, faculty, guests and to the community in support of the student-centered educational environment mission of Reedley College.

Students attending Reedley College have three meal plan options to choose from. Food service is designed to provide students with a flexible, nutritious, and competitively priced program.

Food purchases can be made by participating in one of the meal plans, purchasing a Tiger One debit card or by paying cash. Students living in the residence hall are required to purchase one of the meal plan options. Meal plans assist in budgeting for the semester and the academic school year and provide an economical method to purchase meals without the hassle of carrying cash.

Payment plans are available through the Business Services office.

Meal Plans

Students may choose any type of food items when they participate in the meal plan. Any dollar amount not used during the week WILL ROLL OVER to the next week.

Funds must be used by the end of the semester. Any unused funds will NOT be refunded and will NOT roll over to the next semester.
