Terms and conditions for filming at Gobabeb

1. The applicant(s) has obtained all necessary work permits / visas, as appropriate and required.
2. The applicant (s) must possess and provide copies of valid filming permits, as issued by the relevant authorities in Namibia.
3. This contract is valid only in the core research area of Gobabeb in the Namib-Naukluft Park, south of the C14 road and north of 24° S latitude.
4. The applicant(s) will report to the Executive Director or designated representative of Gobabeb upon arrival at the Institute.
5. The applicant(s) will pay all fees and abide by payment conditions per prior agreement with Gobabeb.
6. The applicant(s) will keep Gobabeb informed of all activities and movements within the Institute's research area and needs to obtain permission to travel off official roads. No driving off established tracks will be permitted.
7. The applicant(s) will adhere to all Gobabeb rules and best practices as regards ethics and environmental protection.
8. The applicant(s) will comply with all MET Park rules, including those regarding the use of drones in protected areas.
9. The applicant(s) are subject to all conditions listed on the entry permit to the Namib-Naukluft Park, unless specifically exempted.
10. The applicant(s) will provide a copy of the media product upon completion to Gobabeb for use in education and awareness creation.
11. Gobabeb shall not be liable for any claims, accidents, injuries or losses, which may arise during the production period.
12. Additional conditions include:
