The Duecento Endowed Fund

*The Duecento, is an elite group of 200 Italian Campus alumni and friends pledging \$200-\$999 (payable over 5 years in 5 payments) to help create a \$1 million endowment to support Italian Campus students. Help make sure future students will always have access to the Italian Campus experience. Members of **The Duecento** will be permanently recognized at the Italian Campus in Rome and on the program's website.*

**Ann Thomas Wilkins, PhD (Classics) &
David Wilkins, PhD (Art History)**

The Drs. Wilkins have taught actively in Rome at the Duquesne University Italian Campus since 2004. In recent years, the Drs. Wilkins have taught the popular "Modern Art in Rome" course and given students the opportunity to explore a lesser-obvious side to the Eternal City. Both are distinguished authors, lecturers, and guides.
