The Party designated as Approving Party for the Developer Tract shall have the right to assign such status to any other Party owning a Parcel (defined in Section 1.13) within the Developer Tract; provided, however, if such assignment is not made in writing, then the status of Approving Party for the Developer Tract shall automatically be deemed assigned to the Party acquiring the Developer Tract or the last Parcel of the Developer Tract owned by the Party then holding the status of Approving Party for the Developer Tract. The party designated as Approving Party for the Kohl's Tract shall have the right to assign such status to any other Party owning a Parcel within the Kohl's Tract; provided, however, if such assignment is not made in writing and recorded in the county and state where the Shopping Center is located, then the status of Approving Party for the Kohl's Tract shall automatically be deemed assigned to the Party acquiring the last portion of the Kohl's Tract owned by the Party then holding the status of Approving Party for the Kohl's Tract. Until such notice of transfer is given, the transferring Party shall (for the purpose of this OEA only) be the transferee's agent. Once the notice of transfer is given, the transferring Party shall be released from all obligations pertaining to any Parcel transferred arising subsequent to the notice of transfer. For the purpose of this Section only, if the notice of transfer is given pursuant to the provisions of Section 6.4, the effective date of such notice shall be the date such notice is sent. Notwithstanding anything to the contrary, if a notice of transfer is given, any payment made by a Party to the transferor within thirty (30) days of such notice shall be deemed properly paid and the transferor and the transferee shall resolve any necessary adjustments and/or prorations regarding such payment between themselves.

### ARTICLE II - EASEMENTS

#### 2.1 Ingress, Egress and Parking

2.1.1 During the term of this OEA, each Party hereby grants and conveys to each other Party for its use and for the use of its Permittees, in common with others entitled to use the same, a non-exclusive easement for the passage and parking of vehicles over and across the parking and driveway areas of the grantor's Parcel, as the same may from time to time be constructed and maintained for such use, and for the passage and accommodation of pedestrians over and across the parking, driveways and sidewalk areas of the grantor's Parcel, as the same may from time to time be constructed and maintained for such use. The easement herein established shall be appurtenant to and for the benefit of each grantee's Parcel, and shall be binding on, enforceable against and burden each grantor's Parcel. Such easement rights shall be subject to the following reservations as well as the other applicable provisions contained in this OEA:

- (A) Each Party reserves the right to close-off any portion of its Parcel for such reasonable period of time as may be legally necessary, in the opinion of such Party's counsel, to prevent the acquisition of prescriptive rights by anyone; provided, however, that prior to closing-off any portion of its Parcel, such Party shall give written notice to each other Party of its intention to do so, and shall attempt to coordinate such closing-off with each other Party so that no unreasonable interference with the passage of pedestrians or vehicles shall occur;
- (B) Each Party reserves the right at any time and from time to time to exclude and restrain any Person who is not a Permittee from using its Parcel; and

- (C) Each Party reserves the right to temporarily erect or place barriers in and around areas on its Parcel which are being constructed and/or repaired in order to insure either safety of Persons or protection of property, but in no circumstances will access to the Shopping Center be completely prohibited.
- (D) Vehicles making deliveries to or pickups from a Party's Parcel shall not park on another Party's Parcel
- (E) The areas devoted to Outside Sales Areas (to the extent then being used as Outside Sales Areas) shall not be deemed or interpreted to be constructed and maintained for the passage and parking of vehicles or the passage and accommodation of pedestrians.

2.1.2 In addition to the easement specified in Section 2.1.1, the Parties hereby grant and convey to each other Party for its use and for the use of its Permittees, in common with others entitled to use the same, and subject to the reservations set forth in Section 2.1.1, a non-exclusive, perpetual easement for the passage and accommodation of pedestrians and vehicles (but not for parking purposes) upon, over and across that portion of each grantor's Parcel designated on the Site Plan as the Common Drive; such Drive to be at least as wide (curb to curb) as shown on the Site Plan, and shall contain not less than two (2) lanes, one in each direction. The easement herein established shall be appurtenant to and for the benefit of each grantee's Parcel, and shall be binding on, enforceable against and burden each Parcel traversed thereby. During the term of this OEA, each portion of the Common Drive shall be maintained in accordance with the provisions governing the maintenance of the parking and driveways on each grantor's Parcel, and the Common Drive shall not be relocated without the approval of the Approving Parties.

After the termination of this OEA, that portion of the grantor's Tract on which the Common Drive is located shall be maintained in a safe, clean and good state of repair and condition by the grantor, at its sole cost and expense. Each grantor shall have the right at its expense, to relocate the portion of the Common Drive located on its Parcel so long as the relocated portion (i) continues to provide direct access, if any, to adjacent Parcels, and (ii) ties into/connects with the other portions of the Common Drive at the common boundaries. Notice of such relocation shall be provided to each grantee at least thirty (30) days prior to relocation.

2.1.3 In addition to the easements specified in Section 2.1.1 and Section 2.1.2, Developer, Kohl's and Home Depot hereby grant and convey to each other Party (but excluding the Outparcels and the Target Tract) for its use and for the use of its Permittees, in common with others entitled to use the same, and subject to the reservations set forth in Section 2.1.1, a non-exclusive, perpetual easement for the passage and accommodation of pedestrians and vehicles (but not for parking purposes) upon, over and across that portion of each grantor's Parcel designated on the Site Plan as the Service Drive; such Drive to be at least as wide (curb to curb) as shown on the Site Plan, and shall contain not less than two (2) lanes, one in each direction. The easement herein established shall be appurtenant to and for the benefit of each grantee's Parcel, and shall be binding on, enforceable against and burden each Parcel traversed thereby. During the term of this OEA, each

portion of the Service Drive shall be maintained in accordance with the provisions governing the maintenance of the parking and driveways on each grantor's Parcel, and the Service Drive shall not be relocated without the approval of the Approving Parties.

After the termination of this OEA, that portion of the grantor's Tract on which the Service Drive is located shall be maintained in a safe, clean and good state of repair and condition by the grantor, at its sole cost and expense. Each grantor shall have the right at its expense, to relocate the portion of the Service Drive located on its Parcel so long as the relocated portion (i) continues to provide direct access, if any, to adjacent Parcels, and (ii) ties into/connects with the other portions of the Service Drive at the common boundaries. Notice of such relocation shall be provided to each grantee at least thirty (30) days prior to relocation.

Notwithstanding anything in this Section to the contrary, the easements granted under this Section will neither burden nor benefit the Target Tract or any of the Outparcels.

2.1.4 In the event a Party fails to perform its obligations under Section 2.1, any grantee shall have the right to claim a default pursuant to Section 6.1 and avail itself of all the provisions therein contained, including the right to lien a Defaulting Party's Parcel, and receive Interest on all sums expended to cure such default. This provision shall survive the termination of this OEA.

## 2.2 Utilities

2.2.1 Each Party hereby grants and conveys to each other Party non-exclusive, perpetual easements in, to, over, under, along and across those portions of the grantor's Parcel (exclusive of any portion located within Building Areas) necessary for the installation, operation, flow, passage, use, maintenance, connection, repair, replacement, relocation, and removal of Utility Lines serving the grantee's Parcel. The initial location of any Utility Line shall be subject to the prior written approval of the Party whose Parcel is to be burdened thereby. Such easement area shall be no wider than necessary to reasonably satisfy the requirements of a private or public utility company, or five (5) feet on each side of the centerline if the easement is granted to a Party. The grantee shall provide to the grantor a copy of an as-built survey showing the location of such Utility Line.

2.2.2 All Utility Lines shall be underground except:

- (A) Ground mounted electrical transformers;
- (B) As may be necessary during periods of construction, reconstruction, repair or temporary service;
- (C) As may be required by Governmental Authorities;
- (D) As may be required by the provider of such utility service;

(E) As may be attached to a Building (e.g. solar panels); and

(F) Fire hydrants.

At least thirty (30) days prior to utilizing the easement granted herein, the grantee shall provide the grantor with a written statement describing the need for such easement, shall identify the proposed location of the Utility Line, the nature of the service to be provided, the anticipated commencement and completion dates for the work. Prior to commencing any work on a grantor's Parcel, including any emergency work, the grantee shall provide to the grantor evidence of insurance coverage as required by Section 5.4.2.

2.2.3 Any Party and/or Parties electing to install a Separate Utility Line shall obtain all permits and approvals and shall pay all costs and expenses with respect to the initial construction and all subsequent maintenance, repair, replacement, removal, relocation or abandonment of the Separate Utility Line. The Separate Utility Line shall be maintained in a safe, clean and good state of repair and condition. The grantee(s) shall perform such work in compliance with all Governmental Requirements, as quickly as possible and after normal business hours whenever possible, and shall back fill and adequately compact the disturbed area to prevent voids and restore the surface to a condition equal to or better than that existing before such work was commenced. Except in the case of a maintenance emergency where such work may be initiated after reasonable notice, the grantee(s) shall provide the grantor with at least fifteen (15) days prior notice before commencement of any work. The grantee(s) of any Separate Utility Line shall not perform any work relating thereto on another Party's Parcel (i) during the months of October, November, December or January, (ii) during the period between May 1<sup>st</sup> and July 7<sup>th</sup> if it impacts a Utility Line serving (or the Common Area on) the Home Depot Tract, (iii) if such work would interfere with or diminish the utility service to the grantor (or any other Party) during the grantor's (or such other Party's) business hours and/or (iv) if such work would reduce or unreasonably impair the usefulness or function of any other Utility Line. The grantee(s) of any Separate Utility Line agrees to defend, protect, indemnify and hold harmless the grantor from and against all claims or demands, including any action or proceeding brought thereon, and all costs, losses, expenses and liabilities of any kind relating thereto, including reasonable attorneys' fees and cost of suit, arising out of or resulting from the exercise of the right to install, maintain, connect, repair, replace, remove and operate the Separate Utility Line; provided, however, the foregoing obligation shall not apply to claims or demands based on the negligence or the willful act or omission of the grantor.

2.2.4 Except as may otherwise be agreed, the Parties electing to install a Common Utility Line shall obtain all necessary permits and approvals and shall pay all costs and expenses with respect to the initial construction of such Common Utility Line. Once constructed, Operator shall maintain, replace, repair, remove and/or relocate the Common Utility Line in a safe, clean and good state of repair and condition, and in compliance with all Governmental Requirements, as quickly as possible and after normal business hours whenever possible. All costs and expenses incurred by Operator with respect to any Common Utility Line shall be considered part of Common Area Maintenance Costs (defined in 4.3.1) and shall be payable pursuant to Section 4.3.3. If no Operator is designated, or following the expiration of this OEA, each Party benefiting from a particular Common Utility Line ("Cooperating Party") shall have the right to maintain, repair

or replace such Common Utility Line without submission of a Budget or estimate of expenditures, except as hereinafter provided. If a Cooperating Party, in performing maintenance, repair or replacement of a Common Utility Line, is likely to incur costs of more than Twenty Thousand Dollars (\$20,000) in Constant Dollars for such work (or series of related or repeated circumstances), such Cooperating Party shall first notify the other Cooperating Parties of such estimate, and the Cooperating Parties shall prepare a list of qualified bidders, shall seek competitive bids from the list of qualified bidders, and shall select the lowest, responsive qualified bidder to perform the work. If a list of bidders is not jointly prepared within fifteen (15) days of the request for bidders, the Cooperating Party desiring to have the work performed shall have the right to let a contract for such work to a contractor of its choosing. After any costs (regardless of amount) for maintaining, repairing or replacing a Common Utility Line has been incurred by an electing Cooperating Party, the Person incurring such costs, may send a statement of such costs, increased by an amount equal to the Administration Fee (defined in Section 4.3.1), together with a copy of any invoice reflecting a charge exceeding \$500.00, to each Cooperating Party benefiting from such Common Utility Line. Within thirty (30) days after receipt of the statement of costs incurred in accordance with the procedures set forth above, each Cooperating Party shall pay its allocable share of such costs as agreed upon when the Common Utility Line was installed, or if no separate cost sharing agreement was made, then in accordance with the sharing of Common Area Maintenance Costs. Except in the case of a maintenance emergency where such work may be initiated after reasonable notice, the grantor shall be provided with at least fifteen (15) days prior notice before commencement of any work. If such work is to be performed on another Party's Parcel, then, except in the event of an emergency, such work shall not be performed (i) during the months of October, November, December or January, (ii) during the period between May 1<sup>st</sup> and July 7<sup>th</sup> if it impacts a Utility Line serving (or the Common Area on) the Home Depot Tract, (iii) if such work would interfere with or diminish the utility service to the grantor (or any other Party) during the grantor's (or such other Party's) business hours and/or (iv) if such work would reduce or unreasonably impair the usefulness or function of any other Utility Line.

As of the date of this OEA, the Approving Parties have agreed that Developer shall install the following items as Common Utility Lines in accordance with those certain Development Agreements between Developer and Home Depot, Target and Kohl's, respectively:

- (A) Sanitary sewer and water (fire and domestic) lines that loop around the Unlimited Building Area.
- (B) Storm water collection, transmission and retention system, including catch basins, underground piping, conduits and mains, and the Detention Parcel, if any, shown on the Site Plan, within the Shopping Center.

2.2.5 Each Party hereby grants and conveys to each other Party owning an adjacent Parcel the perpetual right and easement to discharge surface storm water drainage and/or runoff from the grantee's Parcel over, upon and across the Common Area of the grantor's Parcel, including, without limitation, through Common Utility Lines thereon which pursuant to Sections 1.5A and 1.23 includes the detention area within the Detention Parcel:

- (A) The surface elevations for the Shopping Center and the surface water drainage/retention system serving the Shopping Center shall be initially constructed in strict conformance with the plans and specifications approved by the Approving Parties; and
- (B) No Party shall alter or permit to be altered the surface of the Common Area or the drainage/retention system constructed on its Parcel if such alteration would materially increase the velocity, volume or flow of surface water onto an adjacent Parcel either in the aggregate or by directing the flow of surface water to a limited area.

2.2.6 Each grantor shall have the right to relocate any Utility Line on its Parcel upon thirty (30) days prior written notice to the grantee(s), provided that such relocation:

- (A) Shall not be performed during the months of October, November, December or January or during the period between May 1<sup>st</sup> and July 7<sup>th</sup> if it impacts a Utility Line serving (or the Common Area on) the Home Depot Tract, except for emergency repairs required to preserve the operation of a business being operated by an Approving Party;
- (B) Shall not interfere with or diminish the utility service to the grantee during the grantee's business hours; and if an electrical line/computer line is being relocated, then the grantor and grantee shall coordinate such interruption to eliminate any detrimental effects;
- (C) Shall not reduce or unreasonably impair the usefulness or function of such Utility Line;
- (D) Shall be performed without cost or expense to the grantee;
- (E) Shall be completed using materials and design standards which equal or exceed those originally used; and
- (F) Shall have been approved by the provider of such utility service and the appropriate Governmental Authorities.

Documentation of the relocated easement area, including the furnishing of an "as-built" survey to all grantees, shall be at the grantor's expense and shall be accomplished as soon as possible following completion of such relocation.

2.2.7 In the event a Party fails to perform its obligations under Section 2.2, any affected Party shall have the right to claim a default pursuant to Section 6.1 and avail itself of all the provisions therein contained, including the right to lien a Defaulting Party's Parcel, and receive

Interest on all sums expended to cure such default. This provision shall survive the termination of this OEA.

### 2.3 Construction, Maintenance and Reconstruction

2.3.1 In order to accommodate any Building improvements which may inadvertently be constructed beyond a Parcel's boundary line, each Party grants to each other Party owning an adjacent Parcel, an easement, not to exceed a maximum lateral distance of six (6) inches, in, to, over, under, and across that portion of the grantor's Parcel adjacent to such common boundary line for the maintenance and replacement of such encroaching Building improvements.

2.3.2 In the event a constructing Party (the "Constructing Party") determines that it is necessary to place underground piers, footings and/or foundations ("Subsurface Construction Elements") across the boundary line of its Parcel, the Constructing Party shall advise the Party owning the adjacent Parcel (the "Adjacent Party") of the Constructing Party's construction requirements and shall provide plans and specifications relating thereto to the Adjacent Party, including proposed construction techniques for the Subsurface Construction Elements. Each Adjacent Party hereby grants and conveys to each Constructing Party for the benefit of its Parcel an easement, not to exceed a maximum lateral distance of five (5) feet, in, to, under, and across that portion of the Adjacent Party's Parcel not theretofore occupied by any then existing structure, for the installation, maintenance and replacement of such Subsurface Construction Elements; provided, however, that the Constructing Party shall have no right to use such easement if there is available to the Constructing Party a reasonable alternative construction method for the placement of the Subsurface Construction Elements entirely on the Constructing Party's Parcel.

The Adjacent Party reserves the right to require the Constructing Party to modify the design specifications for the Subsurface Construction Elements in order to permit the Adjacent Party the opportunity to utilize the same in connection with the construction of its Building so that each Party shall be able to place its Building immediately adjacent to the common boundary line. If a common Subsurface Construction Element is used by the Constructing Party and the Adjacent Party, each shall assume and pay its reasonable share of the cost and expense of the design and construction thereof. In the event any Building utilizing a common Subsurface Construction Element is destroyed and not replaced or is removed, the common Subsurface Construction Element shall remain in place for the benefit of the other Building utilizing the same.

2.3.3 The easements established under Sections 2.3.1 and 2.3.2 shall be appurtenant to and for the benefit of each grantee's Parcel, and shall be binding on, enforceable against and burden each grantor's Parcel. Notwithstanding such easement grant, nothing herein shall diminish or waive the right of a grantor to recover damages resulting from a grantee's failure to construct either its Building within the Building Area on its Parcel in the case of Section 2.3.1, or its subsurface Construction Element within the easement area limits in the case of Section 2.3.2. Such easements in each instance shall:

- (A) Continue in effect for the term of this OEA and thereafter for so long as the Building utilizing the easement area exists (including a reasonable

period to permit reconstruction or replacement of such Building if the same shall be destroyed, damaged or demolished).

- (B) Include the reasonable right of access necessary to exercise and enjoy such grant upon terms and with the limitations described in Section 3.1.5.

2.3.4 With respect to Buildings constructed along the common boundary line of Parcels, nothing herein shall be deemed to create or establish:

- (A) A "common" or "party" wall to be shared with the adjacent Building.
- (B) The right for a Building to receive support from or apply pressure to the adjacent Building.

The provisions of Section 2.3.1, 2.3.2, 2.3.3 and 2.3.4 shall not burden nor benefit either the Home Depot Tract or the Target Tract.

## 2.4 Sign Easements

### 2.4.1 INTENTIONALLY DELETED.

2.4.2 Pylon Sign. The Parties intend to erect two sign structures, including cabinets for the identification panels, and wiring for power (each a "Pylon Sign"; collectively, the "Pylon Signs") on that portion of the Developer Tract designated on the Site Plan upon which certain identification panel(s) for Occupants of the Shopping Center may be installed, replaced, maintained and operated. For the purpose of this 2.4.2 provision, all Persons entitled to place identification panels on a Pylon Sign shall be called "Panel Beneficiaries", and each of such Panel Beneficiaries rights and obligations with respect to such Pylon Sign (the "Allocable Share") shall be based on the portion of panel area assigned to each, even if such identification panel area is not used. Initially, the design of the Pylon Signs, including the space for the various panel areas, shall be as shown on Exhibit E attached hereto (the "Sign Exhibit"); provided, however, that another sign structure design that reflects the panel area designation may be approved (a) during the term of the OEA by the Approving Parties, or (b) following the expiration of the OEA, by all of the Panel Beneficiaries. Each Person attaching an identification panel to a Pylon Sign shall, at its sole cost and expense, (i) obtain all permits and approvals required for such installation, (ii) fabricate its identification panel, install the panel and connect the panel to the power source provided, and (iii) maintain and/or replace the identification panel (including any backlit lighting) pursuant to Governmental Requirements, and in a safe condition and good state of repair. If a Pylon Sign, or an identification panel thereon, is damaged by a Party, or anyone claiming by, through or under it, then such Party shall immediately cause the damage to be repaired.

The maintenance and/or replacement of the Pylon Signs shall be performed by a Person designated by the majority of the Allocable Shares held by the Panel Beneficiaries. Developer, Kohl's, Home Depot and Target initially designate Operator to perform such maintenance. All

costs and expenses incurred by Operator with respect to the Pylon Signs shall be considered part of Common Area Maintenance costs, and shall be payable pursuant to Section 4.3.3. If no Operator is designated for the maintenance of the Common Area, or following the expiration of this OEA, the cost of maintenance and/or replacement of the Pylon Signs shall be paid based upon the Allocable Share of each Panel Beneficiary. If a Pylon Sign is no longer available for freestanding sign purposes because of a condemnation or any Governmental Requirements, whether before or after the expiration of this OEA, the owner of the Developer Tract shall designate a replacement Pylon Sign area with comparable visibility as close to the original location as is reasonably possible. The Person designated by a majority of the Allocable Shares held by the Panel Beneficiaries shall be entitled to receive, and shall hold the proceeds in trust, any condemnation or other award paid relating to the displaced Pylon Sign, including any relocation benefits, and such Person shall cause a new Pylon Sign to be constructed in the replacement Pylon Sign area in accordance with the design criteria then applicable. If the award received for the Pylon Sign is less than the cost to replace it, then the Panel Beneficiaries shall pay the deficiency based on their respective Allocable Share. The award (whether paid separately or as part of a lump sum) attributable to each identification panel taken shall belong to the owner thereof.

Developer shall have the right to grant easements for the identification panel area specified on the Sign Exhibit. Each such grant shall (a) automatically incorporate therein the provisions set forth above in the preceding two (2) paragraphs, (b) recognize any prior panel easement grant, particularly the grant to Target, Home Depot and Kohl's specified below, and (c) specify which identification panel area on a Pylon Sign is the subject of the panel easement grant. Developer shall deliver a copy of the recorded easement to Target, Home Depot, Kohl's, and each other Person holding a prior identification panel easement right with respect to each Pylon Sign. All panel areas on a Pylon Sign not granted by Developer to Parties by easement are specifically reserved to Developer, subject to the restrictions set forth in Section 5.3.

Developer hereby grants and conveys to Target, Home Depot and Kohl's, their successors and assigns as the owner of the Target Tract, the Home Depot Tract and the Kohl's Tract, respectively, a perpetual easement for the right and privilege to place or affix identification panel(s) of various sizes, but not more than three (3) in total, to the Pylon Signs in the cabinet space (both sides of structure) designated "Target", "Home Depot" and "Kohl's" on the Sign Exhibit; the easement grant shall include reasonable access over, across and upon the Developer Tract to permit such identification panel(s) to be installed, replaced, maintained and operated. In the event a Pylon Sign is not initially constructed in accordance with Section 5.3.1, or is thereafter removed and not replaced, then the aforesaid easement grant to Target, Home Depot and Kohl's shall also include the right for Target, Home Depot and Kohl's to construct, reconstruct, replace, maintain and operate such Pylon Sign within the designated area, together with reasonable access over, under, upon, through and across the Developer Tract to install, replace, maintain, repair and operate a Separate Utility Line pursuant to the terms and provisions set forth in Section 2.2 above in order to provide such Pylon Sign and identification panels with power. If either Target, Home Depot or Kohl's elects to construct a Pylon Sign, then either Target, Home Depot or Kohl's, as the case may be, shall construct the Pylon Sign in accordance with the Sign Exhibit but shall only take into account the panel requirements of other Panel Beneficiaries if such Persons have deposited with Target, Home Depot or Kohl's, as the case

may be, in advance, an amount equal to 125% of their respective Allocable Share based on Target's, Home Depot's or Kohl's reasonable estimate of the costs to be incurred by Target, Home Depot or Kohl's to obtain permits for, construction of, and bringing power to such Pylon Sign. If any Panel Beneficiary does not make such deposit within thirty (30) days of receipt of Target's, Home Depot's or Kohl's estimate, then such Person shall be deemed to have released, and hereby does release, all right, title and interest in and to such Pylon Sign, specifically including the right to place an identification panel thereon. Upon a reconciliation of the costs of the new Pylon Sign, Target, Home Depot, Kohl's, and the remaining Panel Beneficiary shall adjust their payments and/or deposits, as the case may be, to equal each Person's Allocable Share. The foregoing easement, together with all rights and privileges specified, shall be for the benefit of the Target Tract, the Home Depot Tract and the Kohl's Tract and shall be binding on, enforceable against and burden the Developer Tract. Either Target, Home Depot or Kohl's, as the case may be, shall have the right to release the easement, and upon such release Target, Home Depot or Kohl's, as the case may be, shall remove its identification panel(s) and thereafter have no further rights, duties or responsibilities with respect to such Pylon Sign. Notwithstanding the foregoing, payment for the initial construction of the Pylon Sign shall be governed by the Payment and Priority Agreement to be entered into by the parties.

In the event a Party fails to perform its obligations under Section 2.4, any affected Party shall have a right to claim a default pursuant to Section 6.1, and avail itself of all the provisions therein contained, including the right to lien a Defaulting Party's Parcel, and receive interest on all sums expended to cure such default. This provision shall survive the termination of this OEA.

## **2.5    Restriction**

No Party shall grant any easement for the benefit of any property not within the Shopping Center; provided, however, that the foregoing shall not prohibit the granting or dedicating of utility easements by a Party on its Parcel to Governmental Authorities or to public utility companies for provision of Utility Lines to all or a portion the Shopping Center. If a Utility Line is dedicated and accepted for maintenance by a Governmental Authority or public utility, then the operation and maintenance of such Utility Line shall thereafter be the responsibility of the Person accepting the dedication.

## **2.6    No Merger**

Notwithstanding a Party's ownership of more than one Parcel and/or Tract, the easements granted hereunder shall burden and benefit each Parcel and/or Tract individually, without merger as a result of such common ownership, and upon conveyance of the Parcel and/or Tract so that such Parcel and/or Tract ceases to be under common ownership, neither the Party conveying said Parcel and/or Tract nor the Party acquiring said Parcel and/or Tract shall need to execute additional documentation to evidence the existence of said easements, and said easements shall relate back to and shall be deemed to have been created as of the date of this OEA.

## ARTICLE III - CONSTRUCTION

### 3.1 General Requirements

3.1.1 Each Party agrees that all construction activities performed or authorized by it within the Shopping Center shall be performed in compliance with all Governmental Requirements. All construction shall utilize new materials and shall be performed in a good, safe, workman-like manner.

3.1.2 Each Party further agrees that any construction activities performed or authorized by it shall not:

- (A) Cause any unreasonable increase in the cost of constructing improvements upon another Party's Parcel.
- (B) Unreasonably interfere with construction work being performed on any other part of the Shopping Center.
- (C) Unreasonably interfere with the use, occupancy or enjoyment of any part of the remainder of the Shopping Center by any other Party or its Permittees.
- (D) Cause any Building located on another Parcel to be in violation of any Governmental Requirements.

3.1.3 Each Party agrees to defend, protect, indemnify and hold harmless each other Party from and against all claims and demands, including any action or proceeding brought thereon, and all costs, losses, expenses and liabilities of any kind relating thereto, including reasonable attorneys fees and cost of suit, arising out of or resulting from any construction activities performed or authorized by such indemnifying Party; provided, however, that the foregoing shall not be applicable to either events or circumstances caused by the negligence or willful act or omission of such indemnified Party, its licensees, concessionaires, agents, servants, employees, or anyone claiming by, through, or under any of them, or claims covered by the release set forth in Section 5.4.3.

3.1.4 In connection with any construction, reconstruction, repair or maintenance on its Parcel, each Party reserves the right, at its expense, to create a temporary staging and/or storage area on its Parcel at such location as will not unreasonably interfere with access between such Parcel and the other areas of the Shopping Center. Prior to the commencement of any work that requires the establishment of a staging and/or storage area on its Parcel outside of a Building Area, a Party shall give at least thirty (30) days prior notice to the Approving Parties, for their approval, of the proposed location of such staging and/or storage area unless such area is located at least fifty (50) feet from another Party's Parcel. If substantial work is to be performed, the constructing Party shall, at the request of any Approving Party, fence such staging and/or storage area. Notwithstanding the foregoing, if a business is operating on either the Target Tract, Home

Depot Tract or the Kohl's Tract then no other Party's staging and/or storage area shall be located within one hundred (100) feet of any of such Tracts on which a business is being operated, unless such area is located within a Building Area. If the Approving Parties do not approve the proposed location of the staging and/or storage area, the requesting Party shall modify the proposed location of the staging and/or storage area to satisfy the reasonable requirements of the Approving Parties. All storage of materials and the parking of construction vehicles, including vehicles of workers, shall occur only on the constructing Party's Parcel, and all laborers, suppliers, contractors and others connected with such construction activities shall use only the access points located upon the constructing Party's Parcel; provided however, that if no direct public access is available to the Parcel of the Party performing such construction then the Common Drive may be used for such access. Upon completion of such work, the constructing Party shall, at its expense, restore any damaged area to a condition equal to or better than that existing prior to commencement of such work.

3.1.5 The Parties hereby grant to each other and their respective contractors, materialmen and laborers a temporary license for access and/or use over and across the Common Area of the grantor's Parcel as shall be reasonably necessary for the grantee to construct and/or maintain improvements upon the grantee's Parcel; provided, however, that such license shall be in effect only during such periods of time when actual construction and/or maintenance is being performed and provided further that the use of such license shall not unreasonably interfere with the use and operation of the Common Area by the other Parties or their Permittees. Prior to exercising the rights granted herein, the grantee shall first provide the grantor with a written statement describing the need for such license and shall identify the area of use. Each grantee physically using a portion of the grantor's Parcel in connection with the construction and/or maintenance of the grantee's Parcel shall furnish a certificate of insurance showing that its contractor has obtained the minimum insurance coverage required by Section 5.4.2, shall promptly pay all costs and expenses associated with such work, shall diligently complete such work as quickly as possible, and shall promptly clean the area, and restore and/or repair the affected portion of the grantor's Parcel to a condition which is equal to or better than the condition which existed prior to the commencement of such work. Notwithstanding the foregoing, in the event a dispute exists between the contractors, laborers, suppliers and/or others connected with such construction activities, each Party shall have the right to prohibit the contractors, laborers, suppliers and/or others working for another Party from using the Common Area on its Parcel.

### 3.2 Common Area

The Parties have agreed that the Common Area, when such Common Area is constructed, shall be constructed as shown on the Site Plan and any designated Common Utility Lines specified in Section 2.2.4 shall be installed as part of the initial Shopping Center development; provided, however, no fence or other barrier which would prevent or unreasonably obstruct the passage of pedestrian or vehicular travel shall be erected or permitted within or across the Common Area, exclusive of the limited curbing and other forms of traffic control depicted on the Site Plan, permitted staging and/or storage areas, Outside Sales Areas and Outside Storage Area (including any structures and/or plantings required by Governmental Requirements to screen any Outside Sales Areas or Outside Storage Areas). Contemporaneously with the construction of a Building upon its Parcel, the constructing Party shall cause the Common Area on its Parcel to be substantially

completed no later than the day the first Occupant of such Parcel opens for business with the public. At a minimum, the following general design standards shall be complied with throughout the term of this OEA:

3.2.1 The lighting system shall use a lamp source of metal halide, and shall be designed to produce a minimum maintained lighting intensity measured at grade at all points of at least as required under the lighting standards for the Shopping Center attached or indexed on Exhibit H of this Agreement.

3.2.2 The slope in the parking area shall not exceed a maximum of three percent (3%) nor be less than a minimum of one and one-half percent (1 1/2%), and the slope at all entrances to the Shopping Center shall not exceed a maximum of five percent (5%), unless Approving Parties agree to a different standard.

3.2.3 All sidewalks and pedestrian aisles shall be concrete or other materials approved by the Approving Parties; the automobile parking areas, driveways, and access roads shall be designed in conformity with the recommendations of a licensed soils engineer approved by the Approving Parties, which design shall require the installation of a suitable base and surfacing with an asphaltic concrete or concrete-wearing material.

3.2.4 Utility Lines that are placed underground shall be at depths designated by consultants approved by the Approving Parties.

3.2.5 The parking area on each of the Target Tract, Home Depot Tract and Kohl's Tract, and on each Parcel comprising the Developer Tract shall each contain sufficient ground level parking spaces, without reliance on parking spaces that may be available on another portion of the Shopping Center, in order to comply with the greater of Governmental Requirements or the following minimum requirements:

- (A) Four (4.0) parking spaces for each one thousand (1,000) square feet (plus excess portion thereof) of Floor Area, plus any Restaurant or Fitness Facilities requirements set forth below; provided, however, that compact car parking spaces, which may not exceed twenty percent (20%) of total parking spaces, shall be located only in the areas, if any, designated on the Site Plan.
- (B) If a business use contains a drive-up unit (such as a remote banking teller or food ordering/dispensing facility), then there shall also be created space for stacking not less than four (4) automobiles for each drive-up unit on such Parcel. Notwithstanding anything contained in this Paragraph 3.2.5(B) to the contrary, stacking for not less than three (3) automobiles shall be required for a remote banking teller.

- (C) For each single Restaurant that has less than five thousand (5,000) square feet of Floor Area, then ten (10) parking spaces for each one thousand (1,000) square feet (plus excess portion thereof) of Floor Area devoted to such use.
- (D) For each single Restaurant that has five thousand (5,000) square feet of Floor Area or greater, then fifteen (15) parking spaces for each one thousand (1,000) square feet (plus excess portion thereof) of Floor Area devoted to such use.
- (E) For each Fitness Facility exceeding 5,000 square feet of Floor Area, then fifteen (15) parking spaces for each one thousand (1,000) square feet (plus excess portion thereof) of Floor Area devoted to such use.

If an Occupant operates a Restaurant incidental to its primary business purpose, then so long as such incidental operation continues, the portion of the Floor Area occupied by such Restaurant shall be excluded from the application of (C), and (D) above and shall comply with (A) above. For the purpose of this clause only, a Restaurant shall be an "incidental operation" if it occupies less than seven percent (7%) of the Occupant's Floor Area and does not have a separate customer entry/exit door to the outside of the Building. In the event an Occupant utilizes Floor Area for Restaurant and other purposes, only the portion of Floor Area allocated for Restaurant purposes shall be subject to the increased parking requirements set forth above. In addition, a Restaurant will not be excluded from the application of Clauses (C), and (D) above (and instead comply with (A) above) if the Restaurant has no public seating and no on-site food consumption.

In the event of a condemnation of part of a Parcel or a sale or transfer in lieu thereof that reduces the number of usable parking spaces on such Parcel below that which is required herein, the Party whose Parcel is so affected shall use its best efforts (including using proceeds from the condemnation award or settlement) to restore and/or substitute ground-level parking spaces in order to comply with the parking requirements set forth in this OEA. If such compliance is not reasonably possible, such Party shall not be deemed in default hereunder, but such Party shall not be permitted to expand the amount of Floor Area located on its Parcel. If such Floor Area is thereafter reduced other than by casualty, then the Floor Area on such Parcel may not subsequently be increased unless the parking requirements set forth above are satisfied.

Temporary unavailability of parking spaces caused by uses or promotions permitted under this OEA (by way of example only, Section 5.1.3(H)) and/or unavailability of parking spaces in connection with all permitted uses of the Common Areas in the Home Depot Tract, Kohl's Tract, Target Tract and Developer Tract shall not result in or be deemed a violation of this Section 3.2.5.

3.2.6 No Party shall make changes to the improved Common Area, except that each Party hereby reserves the right, from time to time without obtaining the consent or approval of any other Party, to make at its own expense any insignificant change, modification or alteration in

the portion of the Common Area on its Parcel, including the installation of convenience facilities such as mailboxes, public telephones, cart corrals, benches, bicycle racks, directional and/or parking information signs, provided that:

- (A) The accessibility of such Common Area for pedestrian and vehicular traffic (as it relates to the remainder of the Shopping Center) is not unreasonably restricted or hindered, and all parking stalls and rows and vehicular traffic lanes shall remain generally as shown on the Site Plan.
- (B) There shall be maintained at all times within such Common Area a sufficient number of vehicular parking spaces to meet the parking requirements set forth in Section 3.2.5; provided, however, that no more than two percent (2%) of the parking spaces depicted on the Site Plan for such Parcel shall be eliminated.
- (C) No Governmental Requirements shall be violated as a result of such action. Each Governmental Requirement applicable to such modifications shall be satisfied by the Party performing the same. Each action shall not result in any other Party being in violation of any Governmental Requirements.
- (D) No change shall be made in the access points between the Common Area and the adjacent public streets; provided, however, that additional access points may be created with the approval of the Approving Parties.
- (E) At least thirty (30) days prior to making any such change, modification or alteration, the Party desiring to do such work shall deliver to each Approving Party copies of the plans therefor, and provided further that such work shall not occur during the months of October, November, December or January.

The provisions of this Section 3.2.6 do not apply to any changes, modifications or alterations of Common Area located within (i) Building Areas, (ii) the Garden Center, (iii) Outside Sales Areas that result from or arise out of the use of such space from time to time as provided for in this OEA and/or (iv) Outside Storage Areas that result from or arise out of the use of such space from time to time as provided for in this OEA. By way of example, in the event that a Party's use of a Building Area makes it reasonably necessary to modify adjacent portions of the Common Area to effect the use of such Building Area for a Building (e.g. an existing pedestrian sidewalk located within such Building Area is to be relocated partially within a driveway) then such Party may modify such Common Area so long as vehicular traffic (as it relates to the remainder of the Shopping Center) is not unreasonably restricted or hindered and all parking fields and vehicular traffic lanes shall remain generally as shown on the Site Plan.

### 3.3 Building Improvements

3.3.1 Building(s) and Garden Center(s) shall only be located within the Building Areas designated on the Site Plan. While it is acknowledged and agreed that no Party shall have an obligation to commence construction of any Building on its Parcel, each Party agrees that once it has commenced construction of a Building, such Building shall be completed within a reasonable time. In addition to the foregoing requirements no Building constructed on the westerly portion of the Specialty Parcel may have customer entrances or exits (except for emergency purposes) facing westerly towards the Target Tract.

If the number of "square feet" of building space within the Shopping Center is restricted by Governmental Requirements, the Parties hereby allocate the permitted square footage as follows: (i) to the Target Tract, the number of square feet necessary to accommodate 178,000 square feet of Floor Area plus any Outdoor Sales Area; (ii) to the Kohl's Tract, the number of square feet necessary to accommodate 95,000 square feet of Floor Area plus any Outdoor Sales Area; (iii) to the Home Depot Tract, the number of square feet necessary to accommodate 103,000 square feet of Floor Area, plus the Garden Center and any Outdoor Sales Area; and (iv) to the Developer Tract, the balance of such permitted square footage. The Parties understand that the calculation of Building sizes is based on the definition of "Floor Area" set forth in this OEA, and further that such term is unique to this OEA and is not intended to mirror the definition of "square feet" set forth in codes/regulations established by the local Governmental Authorities.

3.3.2 The Approving Parties have agreed upon an architecturally compatible theme for the exterior of all Buildings to be constructed, placed or located within the Shopping Center, as represented by the Building elevations (the "Theme") attached hereto as Exhibit F. Each Party agrees that any Building located on its Parcel shall comply with such Theme, shall not have backlit lighting for any awning or canopy forming a part thereof, and shall comply with the other requirements of the OEA. In order to insure compliance with such Theme, each Party shall, at least thirty (30) days prior to the commencement of any work on its Parcel, submit to the Approving Parties for approval detailed plans ("Plans") as required by Exhibit G attached hereto covering the initial construction of each Building and any additions, remodeling, reconstruction or other alteration thereto which changes the exterior thereof; provided, however, the Approving Parties waive the requirement for the submission of Plans for the initial Building (or any remodeling, additions, alterations, or replacement of such Building) to be constructed on (A) the Target Tract if such Building reflects a then current prototype "Target" retail store; (B) the Home Depot Tract if such Building reflects a then current prototype "Home Depot" retail store; and (C) the Kohl's Tract if such Building reflects a then current prototype "Kohl's" retail store. The benefits accorded to a then current prototype "Target" retail store, "Home Depot" retail store and "Kohl's" retail store shall also be accorded to the then current prototype which is over 80,000 square feet of Floor Area of any other "Major Retailer" located on the Target Tract, Home Depot Tract and Kohl's Tract. A "Major Retailer" is a national or regional retailer operating or franchising the same retail business under the same tradename in at least seventy-five (75) business locations each over 80,000 square feet of Floor Area serving the public in the United States.

If an Approving Party should reject the Plans for not complying with the Theme, the submitting Party and the Approving Parties shall mutually consult to establish approved Plans for the proposed work. The Approving Parties shall not withhold approval of, or recommend changes in the Plans if the plans conform to the Theme and other requirements of the OEA. In no event shall an Approving Party require any other Party to utilize design standards superior to those utilized by the Approving Party in the construction of any Buildings on its Parcel. Approval of Plans by the Approving Parties shall not constitute assumption of responsibility for the accuracy, sufficiency or propriety thereof, nor shall such approval constitute a representation or warranty that the Plans comply with Governmental Requirements. No material deviation shall be made from the approved Plans.

3.3.3 Developer and Kohl's hereby specifically consent to the placement of Buildings along their respective common boundary lines, and each Party agrees to support any request by another Party for a side-yard or setback variance if the same is required in order to accommodate such construction. Notwithstanding the foregoing, the wall, roof, foundation or other structural portion of one Building shall not receive support from, nor apply pressure to the other Building. The front wall of any Building to be constructed immediately adjacent to the Building on the Kohl's Tract shall be flush with the front wall of the Building on the Kohl's Tract. The second Party to construct a Building along their common boundary line shall:

- (A) Cause such construction to be completed in a manner that the improvements on the adjoining Parcel are not damaged.
- (B) Undertake and assume the obligation of completing and maintaining the nominal attachment (flashing and seal) of its Building to that of the existing Building on the adjoining Parcel, it being the intent of the Parties to establish and maintain the appearance of one (1) continuous Building complex.

Along the common boundary line the Building Areas on the Developer Tract and the Kohl's Tract, each Party agrees to use reasonable efforts to locate its Building wall at least one (1) inch from the common boundary line, but in no event more than two (2) inches therefrom.

3.3.4 The Parties acknowledge that Target, Home Depot and Kohl's initially propose to construct on their respective Tracts a Building which is classified as an "unlimited area building" under certain building codes; the term "unlimited area building", as used in this document, refers to a building that is allowed to exceed area limitations stipulated in the applicable building code, not by virtue of its construction type, but as a condition of its isolation on the property and by its inclusion of a sprinkler system. The Parties agree that all Buildings constructed within the Unlimited Building Area shall comply with the following requirements:

- (A) No Building shall be constructed within sixty (60) feet of the Building Area on an adjoining Parcel unless such Building, hereinafter referred to as the "Adjacent Building," shall be located immediately adjacent to the

common boundary line and is attached to the Building, if any, on the adjacent Parcel in accordance with Section 3.3.3.

- (B) If an Adjacent Building exists, then no Building shall be located within sixty (60) feet of the Adjacent Building unless such Building is attached to the Adjacent Building in accordance with Section 3.3.3; the Adjacent Building and all other Buildings on the Parcel that are attached to the Adjacent Building and to each other are hereinafter referred to as the "Building Group".
- (C) Any Building that is not part of the Building Group shall be located at least sixty (60) feet distant from the Building Group.
- (D) The Adjacent Building or the Building Group, as the case may be, shall comply with the building code requirements applicable to an "unlimited area building", including without limitation the installation of an approved sprinkler system for fire protection.

In addition to the requirements set forth above, the Parties agree that no Building shall initially be placed or constructed on their respective Parcels in a manner which will, based on then existing Governmental Requirements, either preclude the construction on the Unlimited Building Areas of an "unlimited area building", or cause an existing "unlimited area building" thereon to no longer be in conformance with applicable building code requirements, it being understood and agreed, however, that subsequent changes in Governmental Requirements shall not obligate a Party to modify or alter its existing Building.

If required by any Governmental Authorities, each Party agrees to join in a recordable declaration that confirms the existence of a sixty (60) foot clear area around the Unlimited Building Area.

3.3.5 No Building shall exceed one (1) story (excluding Outparcels 16-19), nor the following height restrictions:

- (A) On the Target Tract - 50 feet (architectural elements up to 59 feet)
- (B) On the Kohl's Tract - 50 feet (architectural elements up to 59 feet)
- (C) On the Developer Tract (excluding the Outparcels) - 30 feet (but architectural elements of up to an additional 5 feet in height will be permitted on up to thirty percent (30%) of the frontage of a Building on the Developer Tract) for the in-line stores west of the Kohl's Building; 32 feet (including architectural elements) for the in-line stores to the east of the Kohl's Building; excepting Dick's Sporting Goods which may be 42 feet in height with architectural elements of up to an additional 8 feet in

height will be permitted on up to thirty percent (30%) of the frontage of a Dick's Sporting Goods Building, provided further that Dick's Sporting Goods will not be located within Retail 1 or Retail 2 as depicted on the Site Plan; and further excepting the signature architectural towers of the Shopping Center related to the design of the Shopping Center and not any particular Occupant of the Shopping Center adjacent to the Common Drive which may be 52 feet in height).

- (D) On the Home Depot Tract – 50 feet (architectural elements up to 59 feet)
- (E) Outparcels 2-5, 8-15 and Retail 6 – 25 feet (but architectural elements of up to an additional 3 feet in height will be permitted on up to twenty percent (20%) of the frontage of a Building on the Outparcel);
- (F) Outparcels 6 and 7 – 26 feet (but architectural elements of up to an additional 4 feet in height will be permitted on up to twenty percent (20%) of the frontage of a Building on the Outparcel);
- (G) Outparcels 16, 17, 18 and 19 – No height limitations;
- (H) Specialty Parcel – 28 feet (but architectural elements of up to an additional 4 feet in height will be permitted on up to twenty percent (20%) of the frontage of a Building on the Specialty Parcel); provided, however, a Building occupied by Best Buy on the Specialty Parcel may have architectural elements of up to an additional 11 feet in height on up to thirty percent (30%) of the frontage of a Best Buy Building on the Specialty Parcel; and further provided that the front of the Best Buy Building faces east).

The height of any Building shall be measured perpendicular from the finished floor elevation to the top of the roof structure, including any screening, parapet, penthouse, mechanical equipment or similar appurtenance located on the roof of such Building. Any Party shall have the right to install, maintain, repair, replace and remove Communications Equipment (defined below) on the top of the Building on its Parcel which may extend above the height limits established above; provided, however, such Communication Equipment shall be set back from the front of the Building or screened in order to reduce visibility thereof by customers. As used herein, the phrase "Communications Equipment" means such things as satellite and microwave dishes, antennas and laser heads, together with associated equipment and cable.

3.3.6 No Building on Outparcel 6 through Outparcel 15 shall exceed the buildable limits of such Outparcel's frontage on the following right-of-ways ("Buildable Frontage Limit"):

<u>Outparcel</u>	<u>Buildable Frontage Limit</u>
Outparcel 6	50% of the frontage of Outparcel 6 on Route 34.

Outparcel 7	60% of the frontage of Outparcel 7 on Route 34 and Cannonball Trail; the Building on such Outparcel will either be (i) square or (ii) greater in length in a generally north to south orientation than east to west.
Outparcel 8-15	55% of the frontage of each of Outparcels 8-15 on Cannonball Trail.

### 3.4 Liens

3.4.1 In the event any mechanic's lien is recorded against the Parcel of one Party as a result of services performed or materials furnished for the use of another Party, the Party permitting or causing such lien agrees to defend, protect, indemnify and hold harmless each other Party and its Parcel from and against all claims and demands, including any action or proceeding brought thereon, and all costs, losses, expenses and liabilities of any kind relating thereto, including reasonable attorneys' fees and cost of suit, arising out of or resulting from such lien. The Party permitting or causing such lien to be recorded shall have the right to contest the validity thereof in any manner such Party chooses so long as such contest is pursued with reasonable diligence. In the event such contest is determined adversely (allowing for appeal to the highest appellate court), such Party shall promptly, but within fifteen (15) days after the entry of a final, non-appealable judgment, pay in full the required amount, together with any interest, penalty, cost, or other charge necessary to release such lien of record.

3.4.2 Upon the request of the Party whose Parcel is subject to such lien, the Party permitting or causing such lien to be recorded agrees to promptly cause such lien to be released and discharged of record with respect to such Parcel by posting a bond or other security as shall be required by law to obtain such release and discharge. In the event the laws of the State within which the Shopping Center is located do not provide for a method to release real estate from a lien claim, then the Party permitting or causing such lien shall deposit with the Party whose Parcel is subject to such lien security (cash or other reasonably acceptable substitution) equal to 150% of the amount of the lien or such Party shall cause such lien to be affirmatively "insured over" pursuant to an endorsement to the title insurance policy of the Party whose Parcel is subject to such lien which endorsement must be issued by the title insurance company which previously issued such Party's title insurance policy. The security shall be held until the contest provisions set forth in 3.4.1 are completed and the lien released; provided, however, that if either the lien is not contested and then released pursuant to 3.4.1 above, or the Party permitting or causing such lien elects to satisfy the claim, then the security shall be used to pay the lien claim and obtain the release of record.

## ARTICLE IV - MAINTENANCE AND REPAIR

### 4.1 Utility Lines

Utility Lines shall be maintained as provided in Section 2.2.

### 4.2 Common Area

4.2.1 Subject to the joint operation and maintenance responsibilities which may be assumed by Operator as set forth in Section 4.3, and independent obligations, if any, relating to

Utility Lines and/or signs, each Party shall operate, maintain, and to the extent necessary due to ordinary wear and tear, repair and replace the Common Area on its Parcel in a sightly, safe condition and good state of repair at such Party's sole cost and expense. The unimproved Common Area shall be mowed and kept litter-free. The minimum standard of operation and maintenance for the improved Common Area shall be comparable to the standard of operation and maintenance followed in other first class retail developments of comparable size in the Chicago, Illinois metropolitan area; notwithstanding the foregoing, however, the Common Area shall be operated, repaired and maintained in compliance with all applicable Governmental Requirements, and the provisions of this OEA. All Common Area improvements shall be repaired or replaced with materials at least equal to the quality of the materials being repaired or replaced so as to maintain the architectural and aesthetic harmony of the Shopping Center as a whole. Such operation and maintenance obligation shall include but not be limited to the following:

- (A) Drive and Parking Areas. Maintaining, repairing and replacing all paved surfaces and curbs in a smooth and evenly covered condition, including, without limitation, (i) replacement of base, skin patch, resurfacing and, when necessary to restripe the parking area, resealing; (ii) restriping parking lots and drive lanes at least every 24 months, but in any event as necessary to clearly identify parking space designations, traffic direction designations, fire lanes, loading zones, no parking areas and pedestrian cross-walks and (iii) removal of ice and/or snow (no accumulation of more than two (2) inches on the surface allowed).
- (B) Debris and Refuse. Periodically removing papers, debris, filth, and refuse, including vacuuming and broom-sweeping of paved areas at least 5 days per week, but in any event to the extent necessary to keep the Common Area in a first-class, clean and orderly condition. All sweeping shall be at appropriate intervals during such times as shall not interfere with the conduct of business or use of the Common Area by Permittees.
- (C) Directional Signs and Markers. Maintaining, cleaning and replacing any appropriate directional, stop or handicapped parking signs or markers.
- (D) Lighting. Maintaining, cleaning and replacing Common Area lighting facilities, including light standards, wires, conduits, lamps, ballasts and lenses, time clocks and circuit breakers, illuminating the Common Area pursuant to Section 5.2.1; provided however, exterior Building lighting fixtures, including any lighting fixtures associated with a canopy or other architectural feature forming a part of such Building, shall be considered a part of such Building, and the maintenance and replacement of such fixtures, and the cost of illumination, shall be the obligation of the Party upon whose Parcel such fixtures are located.
- (E) Landscaping. Maintaining and replacing all landscape plantings, trees and shrubs in an attractive, live and thriving condition, trimmed and weed-

free; maintaining and replacing landscape planters, including those adjacent to exterior walls of Buildings; providing water for landscape irrigation through a properly maintained system, including performing any seasonal (start up and/or winterization) maintenance thereto, and any modifications to such system to satisfy governmental water allocation or emergency requirements.

- (F) Obstructions. Keeping the Common Area free from any obstructions, including those caused by the sale or display of merchandise, unless such obstruction is permitted under the provisions of this OEA.
- (G) Sidewalks. Maintaining, cleaning and replacing sidewalks, including those adjacent to Buildings. Sidewalks shall be: steam-cleaned at least monthly and pressure washed periodically in the interim; swept at appropriate intervals during such time as shall not interfere with the conduct of business or use of the sidewalks; and cleared of ice, and when there is an accumulation of 2 inches or more on surface, snow.
- (H) Security Measures. Providing security measures, including personnel, for the Common Area, if reasonably required.
- (I) Traffic. Supervising traffic at public entrances and exits to the Parcel as conditions reasonably require in order to maintain an orderly and proper traffic flow.
- (J) Detention Parcel. Taxes for the detention area shall be included as a Common Area Maintenance Cost, excluding any improvements therein.

In addition, in the event that Target, Kohl's or Home Depot are maintaining their own Parcels, then notwithstanding the provisions of Paragraphs (A), (B) and (G) above, such Parties shall not be obligated to satisfy any of the specific requirements as to the timing of such maintenance so long as each such Party performs such obligations in a manner sufficient to keep such area in a first class condition and as well maintained as the balance of the Shopping Center.

Notwithstanding anything in Section 4.3 to the contrary, each Party shall have the obligation to operate, maintain, and repair, at its sole cost and expense, in a clean, sightly and safe condition, the following items (if any) located on its Parcel: any exterior shipping/receiving/loading dock area; any truck ramp or truck parking area; any recycling center or similarly designated area for the collection of items intended for recycling; any refuse, compactor or dumpster area.

4.2.2 Subject to the provisions of Section 2.2.4 regarding Common Utility Lines, Section 2.4 regarding the Pylon Signs and Section 2.1.2 and Section 2.1.3 regarding the Common Drive and Service Drive, if any portion of the Common Area is damaged or destroyed by

any cause whatsoever other than ordinary wear and tear, whether insured or uninsured, during the term of this OEA, the Party upon whose Parcel such Common Area is located shall repair or restore such Common Area at its sole cost and expense with all due diligence; provided, however, that no Party shall be required to expend more than \$250,000 in Constant Dollars in excess of insurance proceeds which may be available (or which would have been available except for such Party's election of deductibles or self-insurance, which amount such Party shall be responsible to contribute) for such repair or restoration. Notwithstanding the limitation set forth in the preceding sentence, a Party may require the Party upon whose Parcel such Common Area is located to do such restoration work if the requiring Party has agreed in writing to pay the costs in excess of \$250,000.00. Except to the extent limited by Section 5.4.3, if such damage or destruction of Common Area on a Parcel is caused in whole or in part by another Party or a third Person, the Party obligated to make such repair or restoration reserves and retains the right to proceed against such other Party or third Person for indemnity, contribution and/or damages.

#### 4.3 Joint Maintenance.

4.3.1 Prior to Operator commencing any operation and/or maintenance duties, Operator shall obtain, and thereafter maintain during the period of such operation and/or maintenance performance, the insurance required by Section 5.4.4. Commencing on the earlier of thirty (30) days prior to the date specified by the Occupant of the Target Tract, the Home Depot Tract or the Kohl's Tract that it intends to open for business with the general public, or the date the Approving Parties designate in writing, Operator shall operate and maintain the (i) Common Areas, (ii) Common Utility Lines, (iii) Common Area security program, if any, agreed upon for the Shopping Center by the Approving Parties and (iv) Pylon Signs. The Operator's obligations under this Section 4.3 will not include the cost of (1) "capital improvements" to the Common Areas and (2) maintaining, repairing, replacing or removing a Pylon Sign during any period that Operator is not designated by the Panel Beneficiaries to be responsible for such obligations under Section 2.4.2, since such work is the responsibility of the Party owning such Parcel. The phrase "maintain and operate" in conjunction with Operator's responsibilities under this OEA shall also mean "repair" to the extent such "repair" is not excluded as a Common Area Maintenance Cost pursuant to Clauses (A) through (R) below. Notwithstanding the foregoing, the operation and maintenance of each Outparcel shall be the sole responsibility of the Party owning such Outparcel and shall be conducted at such Party's sole cost and expense. At least 30 days prior to any major work in the parking lots or drive areas (i.e., work costing in excess of \$50,000 in Constant Dollars), Operator shall advise the Approving Parties of the scope thereof, and the proposed commencement and completion dates; except in an emergency, such major work shall not be performed during the period between October 15<sup>th</sup> and the following January 15<sup>th</sup>, and if on the Home Depot Tract, between May 1<sup>st</sup> and July 7<sup>th</sup>. Operator shall expend only such funds as are reasonably necessary for the operation and maintenance of the Common Area ("Common Area Maintenance Costs") and for the performance of other obligations imposed on Operator pursuant to this OEA, and shall promptly pay all such costs when incurred. Within thirty (30) days following the commencement of such maintenance and operation, Operator shall provide the Approving Parties an estimated budget for the balance of the current calendar year containing the information required by Section 4.3.2, and each Party agrees to pay its share of Common Area Maintenance Costs actually incurred during the balance of such year, plus the Administration Fee (defined below), in accordance with Section 4.3.3. Operator may hire companies affiliated with it to perform the maintenance and operation of the Common Area, but only if the rates charged by such affiliates are competitive with those of other companies furnishing

similar services in the metropolitan area in which the Shopping Center is located, it being agreed that this provision shall be construed strictly against Operator. Each Party hereby grants to Operator, its agents, contractors and employees, a license to enter upon its Parcel to discharge Operator's duties to operate, maintain and repair the Common Area. Notwithstanding anything to the contrary, Common Area Maintenance Costs shall not include:

- (A) Any late charges or fees; any cost, fee, fine, penalty or similar charge arising out of or resulting from any violation by Operator or anyone else relating to the Shopping Center.
- (B) Any charge for electricity for Building accent lighting or architectural features, or any Building security lighting and any charge for electricity that is the obligation of a Party to pay under the provisions contained in Section 4.2.1(D). Also, any charge for electricity for Common Area to a Party that separately pays the cost of power to illuminate the Common Area on its Parcel.
- (C) Any charge for water to a Party that separately pays the cost of water for irrigating the landscaping upon its Parcel.
- (D) Any costs for promotional, marketing, seasonal or holiday events of any type including, without limitation, costs of promotional equipment, banners, decorations and/or lighting, or the cost of set up, take down or storing any of the foregoing.
- (E) Any costs to clean up or repair the Common Area resulting from any promotional, marketing, seasonal or holiday activities, or from construction, maintenance or replacement of a Party's Buildings.
- (F) Any costs associated with trash and/or garbage removal from a Party's Building, such removal obligation being the responsibility of the Party owning the Building.
- (G) Any costs resulting from or arising out of the repair or replacement of items covered by warranties or guaranties including, but not limited to, site improvements, signs, trees, plants or other landscaping.
- (H) Other than for a resurfacing, resealing and restriping of drive and parking areas which are considered maintenance items, any cost for replacement of base for drive and parking areas, such replacement being a "capital improvement" which is the responsibility of the Party owning the Parcel pursuant to the provisions of Section 4.2.1 and 4.2.2.

- (I) Any costs relating to the items referenced in the last paragraph of Section 4.2.1, which items shall remain the responsibility of the Party owning the affected Parcel.
- (J) Any matters covered by Section 4.4, which items shall remain the responsibility of the Party owning the affected Parcel.
- (K) Real property taxes and assessments on the Common Area, except for the Detention Parcel, as long as the Detention Parcel is a separate tax parcel.
- (L) Insurance costs and/or premiums regardless of whether any such insurance is required by this OEA.
- (M) Operator's profit, administrative and overhead costs including, but not limited to: office space, equipment and utilities; legal fees and/or costs; accounting and administrative service; Operator's personnel who are not permanently located at the Shopping Center; premiums relating to bonding over mechanic's liens; and costs relating to hiring, training, screening, drug testing and/or background checks of personnel.
- (N) Any fee or charge relating to the management and/or supervision of the operation of the Common Area, or any part thereof, paid to a third party, commercial management company or similar provider.
- (O) Entertainment, transportation, meals and lodging of anyone.
- (P) Any fee, assessment or charge for fire hydrants to a Party that separately pays such kind of imposition for fire hydrants located on its Parcel.
- (Q) Any costs, fees expenses and/or adjustments related to any Common Maintenance Costs submitted more than two (2) years after the date incurred by Operator.
- (R) The cost of any "capital improvements" since such work is not the responsibility of Operator but the responsibility of the owner of such Parcel pursuant to Section 4.2.1 and Section 4.2.2.

In lieu of Operator's profit, administrative charges, all indirect and/or other direct costs, and overhead expenses, Operator shall be permitted to charge an amount ("Administration Fee") computed by multiplying Common Area Maintenance Costs (exclusive of utility charges, and the portion of single purpose expenditures that exceed \$25,000), by five percent (5%). If any of Operator's personnel at the Shopping Center perform services, functions or tasks in addition to Common Area duties, then the cost of such personnel shall be equitably allocated according to

time spent performing such duties. The cost of work performed by Operator's personnel and/or affiliates that is includable in Common Area Maintenance Costs shall be charged at such individual's normal (no mark-up) hourly basis, including benefits; provided, however, that the total rate charged for such individual shall not exceed the rate charged for such work by competitive companies furnishing similar work in the metropolitan area in which the Shopping Center is located, it being agreed that this provision shall be construed strictly against Operator.

Operator shall, at least ninety (90) days prior to the beginning of each calendar year during the term of this OEA, submit to the Approving Parties an estimated budget ("Budget") for Common Area Maintenance Costs and the Administration Fee for operating and maintaining the Common Area for the ensuing calendar year. In the event an Approving Party believes the charge for a particular function is excessive, such Approving Party shall notify Operator of such belief, and thereupon Operator shall obtain no fewer than two (2) competitive bids for such function from reputable service providers reasonably acceptable to Operator and Approving Parties. Unless the existing provider's cost is lower, the lowest acceptable bidder shall be utilized as soon as the contract with the existing provider can be terminated without penalty. The Budget shall be in a form and content reasonably acceptable to the Approving Parties and shall identify separate cost estimates for at least the categories specified under Section 4.2.1, plus:

- (1) The Administration Fee.
- (2) Rental fees or purchase price of equipment and supplies used in maintaining, operating or repairing the Common Area.
- (3) Credit for any depreciation or trade-in allowance applicable to items purchased for Common Area purposes.
- (4) Maintenance of the Pylon Signs pursuant to 5.3.1.
- (5) Maintenance, repair, replacement or removal of any Common Utility Line.

If any work is to be accomplished in phases over a period of calendar years during the term of this OEA, such as an overlay of the drive and/or parking areas, then the Budget shall separately identify the cost attributable to the applicable calendar year (including the portion of the Common Area affected) and shall note the anticipated cost and timing (indicating the portion of the Common Area affected) of such phased work during succeeding calendar years. The cost of approved "phased" work shall be paid by the Parties approving the same, or their successors or assigns, as the case may be, notwithstanding that when such work is performed a Party may not then be participating in the joint maintenance of the Common Area.

If an Approving Party disapproves the proposed Budget, it shall consult with the other Approving Parties, and Operator to establish a final approved Budget. If a Budget for any calendar year is not approved (including the failure of Operator to submit a Budget) by December 1st of the preceding calendar year, Operator shall have the right, by written notice

given prior to December 10th of such preceding calendar year, to terminate its operation and maintenance obligation with respect to the Common Area located on the Parcel of the disapproving Approving Party as of the following March 31<sup>st</sup>. If such notice is given, commencing on the following April 1st, such Approving Party shall (i) operate and maintain the Common Area on its Parcel, including without limitation, that portion of the Common Drive and/or Service Drive located on its Parcel, (ii) pay all costs and expenses incurred in connection therewith; and (iii) contribute towards the costs of Common Utility Lines, including any detention/retention ponds, regardless of location, the Common Area security program, if any, and the Pylon Signs, which continue to be performed by Operator,. Operator shall continue to maintain and operate the balance of the Common Area within the Shopping Center. During the period from January 1<sup>st</sup> to March 31<sup>st</sup>, such Approving Party shall pay its share of the operation and maintenance of the Common Area pursuant to Section 4.3.3. If such notice is not timely given, then Operator shall continue to maintain and operate all of the Common Area located on the Parcel of the Approving Party for the next calendar year, and the items of disagreement shall be resolved as part of the Reconciliation process. Approval of the Budget, or any of the line items comprising a part thereof, shall not be considered a waiver of a Party's right to audit and/or contest, challenge or dispute the Reconciliation (defined in Section 4.3.2 below).

Operator shall use its diligent, good faith efforts to operate and maintain the Common Area in accordance with the Budget. Notwithstanding the foregoing, Operator shall have the right to make emergency repairs to the Common Area to prevent injury or damage to Persons or property, it being understood that Operator shall nevertheless advise each Party of such emergency condition as soon as reasonably possible, including the corrective measures taken and the cost thereof. If the cost of the emergency action exceeds \$10,000.00 in Constant Dollars, then Operator shall submit a supplemental billing to each Party, together with evidence supporting such cost, and each Party shall pay its share thereof within thirty (30) days after receipt of such billing. If the cost limitation set forth above is not exceeded then such costs shall be included as part of Common Area Maintenance Costs for that year.

4.3.2 Common Area Maintenance Costs and the Administration Fee shall be allocated as follows:

- |                                     |                                     |
|-------------------------------------|-------------------------------------|
| (A) To the Developer Tract - 69.02% | (C) To the Kohl's Tract - 6.37%     |
| (B) To the Target Tract - 15.31%    | (D) To the Home Depot Tract - 9.30% |

Prior to initial opening for business of a Building on the Home Depot Tract, Target Tract and Kohl's Tract, the Common Area Maintenance Costs and the Administration Fee otherwise allocable to the Home Depot Tract, Target Tract and Kohl's Tract shall be allocated to the Developer Tract. The Common Area Maintenance Costs and the Administrative Fee allocable to Kohl's, Home Depot, and Target shall commence for each of Home Depot, Target or Kohl's when each opens for business on its respective Tract.

In the event an existing Parcel is divided, the Party causing such division shall, at its expense, prorate the allocation of Common Area Maintenance Costs and the Administration Fee

attributable to the original Parcel between the newly created Parcels, file a recorded declaration confirming such allocation and deliver a copy of such declaration to Operator and each other Party. Each Party shall pay to Operator in equal monthly payments, in advance, the share of Common Area Maintenance Costs and the Administration Fee attributable to such Party's Parcel based either upon the amount set forth in the approved Budget or, if a Budget is not approved, then the lesser of the amount set forth in the unapproved Budget or the monthly payment established for such Party for the prior year. Notwithstanding the provision for determining the amount of payment set forth in the immediately preceding sentence, in the event a Budget is not approved because Operator elected not to submit a Budget for consideration at least sixty (60) days prior to the beginning of the calendar year, then each Approving Party not receiving a Budget shall have the right to use its reasonable judgment to determine the amount of the Budget for the next calendar year, and each Party represented by such Approving Party shall pay to Operator monthly, in advance on the first day of the month, payments attributable to such Party's Parcel, based on the amount of the Budget established by that Approving Party. Within one hundred twenty (120) days after the end of each calendar year, Operator shall provide each Party with a statement certified by an authorized Person, together with supporting invoices and other materials setting forth the actual Common Area Maintenance Costs paid by Operator for the operation and maintenance of the Common Area (such statement and supporting data are collectively called the "Reconciliation"), the Administration Fee, and the share of the aggregate thereof that is attributable to each Party's Parcel. The Reconciliation shall separately identify cost categories specified in Sections 4.2.1 and 4.3.2 and shall be in a form reasonably acceptable to the Approving Parties. If the amount paid with respect to a Parcel for such calendar year shall have exceeded the share allocable to such Parcel, Operator shall refund by check the excess to the Party owning such Parcel at the time the Reconciliation is delivered, or if the amount paid with respect to a Parcel for such calendar year shall be less than the share allocable to such Parcel, the Party owning such Parcel at the time such Reconciliation is delivered shall pay the balance of such Party's share to Operator within sixty (60) days after receipt of such Reconciliation, less any amounts disputed in writing, it being understood and agreed that the 60-day period only establishes the period for payment and is not to be construed as an acceptance of the Reconciliation. If Operator does not timely submit the Reconciliation, then such Party's payment period shall be extended an additional 60 days for a total of 120 days after receipt of the Reconciliation. If Operator does not refund amounts shown by the Reconciliation to be owed a Party, then such Party may offset the refund owed, plus Interest, against payments for Common Area Maintenance Costs and Administration Fee due for any future period. Notwithstanding anything contained herein to the contrary, if during a calendar year Operator resigns or is replaced, the replacement Operator shall be responsible for the Reconciliation adjustments, including any reimbursement due to a Party for such calendar year; in addition for a period of sixty (60) days after a substitution of Operator is made, any payment made by a Party to the prior Operator shall be deemed properly paid, and the old and new Operators shall resolve any necessary adjustments and/or prorations regarding such payments between themselves.

Within three (3) years after the date of receipt of a Reconciliation, each Party shall have the right to audit Operator's books and records pertaining to the operation and maintenance of the Common Area for the calendar year covered by such Reconciliation. A Party shall notify Operator of such Party's intent to audit at least fifteen (15) days prior to the designated audit date (but an audit will not be conducted from December 15<sup>th</sup> to January 15<sup>th</sup>). If such audit shall

disclose any error in the determination of Common Area Maintenance Costs, the Administration Fee or any allocation thereof to a particular Parcel, the auditing Party shall provide Operator with a copy of the audit, and an appropriate adjustment shall be made forthwith. Notwithstanding anything to the contrary, the approval of a prior Reconciliation or any line item comprising a part thereof, shall not be a waiver of a Party's right to challenge subsequent Reconciliations regarding such line item. The cost of any audit shall be assumed by the auditing Party unless such Party shall be entitled to a refund in excess of three percent (3%) of the amount calculated by Operator as such Party's share for the applicable calendar year, in which case Operator shall pay the cost of such audit. If Operator does not respond to the results of such audit within ninety (90) days after receipt of the audit, then the auditing Party shall have the right to offset the refund claimed, plus Interest, from the date Operator receives the audit, plus costs of the audit if appropriate, against subsequent payments due Operator; provided, however, Operator shall retain the right to dispute the results of such audit for a period of six (6) months following receipt of such audit, and Operator's election not to contest the results of such audit during the 6-month period shall be deemed acceptance of such audit.

4.3.3 Operator agrees to defend, indemnify and hold each Party harmless from and against any mechanic's, materialmen's and/or laborer's liens, and all costs, expenses and liabilities in connection therewith, including reasonable attorney's fees and court costs, arising out of the maintenance and operation by Operator of the Common Area and the performance of other functions expressly required of Operator by this OEA, and if any Parcel shall become subject to any such lien, Operator shall promptly cause such lien to be released and discharged of record, either by paying the indebtedness which gave rise to such lien or by posting such bond or other security as shall be required by law to obtain such release and discharge, or Operator shall cause such lien to be affirmatively "insured over" pursuant to an endorsement to the title insurance policy of the Party whose Parcel is subject to such lien issued which must be issued by the title insurance company which previously issued such Party's title insurance policy

4.3.4 Target, Home Depot and Kohl's shall have the right, upon giving not less than sixty (60) days written notice to Operator, to take-over and assume the operation and maintenance of the Common Area upon the exercising Party's Parcel (the Party exercising such right with respect to its Parcel is referred to at times as the "Take-Over Party"). Following the effective date of such take-over and assumption, the Take-Over Party shall operate and maintain the Common Area on its Parcel, and shall pay all costs and expenses incurred in connection therewith; provided, however, Operator shall continue to operate and maintain (i) Common Utility Lines, including any detention/retention ponds, regardless of location, but only if the Take-Over Party elects to participate therein by written notice to Operator, (ii) the Common Area security program, if any, but only if such Take-Over Party elects to participate therein by written notice to Operator, (iii) the Common Drives, and (iv) any sign structure(s) upon which such Take-Over Party has a panel attached (collectively, the "Continuing Functions"). Upon the effective date of such take-over and assumption, the Take-Over Party shall be released from the obligation to contribute towards Common Area Maintenance Costs for the balance of the Common Area, except with respect to the Continuing Functions for which continued participation is mandatory or elected, and the Administration Fee payable by the Take-Over Party shall be based only on the cost of the Continuing Functions. The Take-Over Party's share of the cost of the Continuing Functions shall be paid in accordance with the allocation set forth in Section 4.3.2 so long as Operator is responsible for

such functions; provided however, that all amounts shall be payable by the Take-Over Party at end of each calendar year. Operator shall continue to operate and maintain the balance of the Common Area in accordance with the standards set forth herein.

The Take-Over Party shall have the right to cause Operator to resume the operation and maintenance of the Common Area on the Parcel owned by the Take-Over Party upon the satisfaction of the following conditions:

- (A) The Take-Over Party shall give Operator at least sixty (60) days prior notice of the Take-Over Party's intention to have Operator resume the operation and maintenance of the Common Area on its Parcel; provided, however, such date for resumption shall always be the first day of a calendar quarter; and
- (B) Prior to the date established for Operator to resume the maintenance and operation thereof, the Take-Over Party shall, at its sole cost and expense, cause the Common Area on its Parcel to be at least equal to the same condition of maintenance then existing on the other portions of the Common Area then being maintained by Operator.

Provided the above conditions are satisfied, concurrently with the designated date, Operator shall resume full operation and maintenance of the Common Area located on the Parcel owned by the Take-Over Party and the Take-Over Party shall be responsible for its share of Common Area Maintenance Costs as set forth in Section 4.3.3 so long as Operator is responsible for such functions.

4.3.5 In the event (i) a Take-Over Party elects to take over operation and maintenance of the Take-Over Party's Tract pursuant to Section 4.3.4, (ii) a Party separately pays an amount that would otherwise be part of Common Area Maintenance Costs, such as referenced in Section 4.3.1(B) and (C), or (iii) a Party disapproves of the Budget and Operator elects not to operate and maintain such disapproving Party's Parcel as set forth in Section 4.3.1, then allocation of Common Area Maintenance Costs to the remaining Parties in each such circumstance shall be based on a fraction, the numerator of which is each Party's designated share, and the denominator is the total designated shares of the remaining Parties.

4.3.6 As a contribution towards (i) the maintenance of the driveways within the Shopping Center which are adjacent to the Outparcels, (ii) taxes applicable to such driveways and (iii) the storm water drainage system within the Shopping Center, each of the Outparcels shall perpetually contribute the fixed sum of One Thousand Five Hundred and No/100 Dollars (\$1,500.00) per year [subject to adjustment as hereinafter provided], in advance, commencing on the date that a Party commences construction of vertical improvements upon such Outparcel ("Annual Outparcel Contribution"). The Annual Outparcel Contribution shall be increased, commencing on the fifth (5th) anniversary of this OEA and each fifth (5th) anniversary thereafter, to an amount equal to 125% of the Annual Outparcel Contribution for the prior year. If Operator is maintaining the Shopping Center then, the Annual Outparcel Contributions shall be paid to Operator and applied

towards the reduction of Common Area Maintenance Costs prior to allocation of Common Area Maintenance Costs and Administration Fee pursuant to Section 4.3.3 above; provided however, that if a Take-Over Party is maintaining the Common Area on the Take-Over Party's Tract as applicable, the Annual Outparcel Contributions shall be distributed to Parties incurring the costs in clause (i) to (iii) above.

#### 4.4 Building and Outside Sales Area

4.4.1 After completion of construction of each such improvement on its Parcel, each Party covenants and agrees to maintain and keep the Buildings, the areas referred to in the last paragraph of Section 4.2.1, and any Outside Sales Area in first-class condition and state of repair, in compliance with all Governmental Requirements, and in compliance with the provisions of this OEA, including either the Theme or the exterior architectural concept approved for such Building by the Approving Parties. Each Party further agrees to store all trash and garbage from its Buildings in adequate containers, to locate such containers so that they are not readily visible from the parking area, and to arrange for regular removal of such trash or garbage. Exterior Building lighting fixtures, including any light fixtures associated with a canopy or other architectural feature forming a part of such Building, shall be maintained, replaced and repaired as part of Building maintenance.

4.4.2 In the event any of the Buildings in the Shopping Center are damaged by fire or other casualty (whether insured or not), the Party upon whose Parcel such Building is located shall, subject to Governmental Requirements and/or insurance adjustment delays, immediately remove the debris resulting from such casualty and provide a sightly barrier, and within a reasonable time thereafter shall either (i) repair or restore the Building so damaged to a complete unit, such repair or restoration to be performed in accordance with all provisions of this OEA, or (ii) erect another Building in such location, such construction to be performed in accordance with all provisions of this OEA, or (iii) demolish the damaged portion and/or the balance of such Building and restore the cleared area to either a hard surface condition or a landscaped condition in which event the area shall be Common Area until a replacement Building is erected. Such Party shall have the option to choose which of the foregoing alternatives to perform, but such Party shall be obligated to perform one (1) of such alternatives. Such Party shall give notice to each other Party within ninety (90) days from the date of such casualty of which alternative such Party elects.

5.1.14 Nothing in this OEA shall be deemed to prohibit or limit (a) Home Depot's, Target's, and Kohl's right to load or unload products, materials or other deliveries at any time permitted by applicable law through the loading dock on the Home Depot Tract or the Garden Center, Kohl's Tract and Target Tract, as applicable or (b) Home Depot's, Target's and Kohl's right to operate its business on a 24/7 basis if permitted by Governmental Authorities, so long as all portions of the Service Drive remain open.

Each Party further agrees to keep any exterior Building security lights on from dusk until dawn. During the term of this OEA, each Party grants an irrevocable license to each other Party for the purpose of permitting the lighting from one Parcel to incidentally shine on the adjoining Parcel.

5.2.2 It is recognized that Occupants within the Shopping Center may be open for business at different hours, and that a Party may wish to have the pylons signs and Common Area lights on another Parcel be illuminated before or after the required time period. Accordingly, a Party ("Requesting Party") shall have the right, at any time, to require the Party that controls the lighting on such Parcel ("Requested Party") to keep such Common Area lights it controls operating as stipulated by the Requesting Party, provided that the Requesting Party notifies the Requested Party of such request not less than fifteen (15) days in advance. The Requesting Party shall state the period during which it wishes such Common Area lights to be kept operating and shall pay to the Requested Party a prepayment as follows:

- (A) If the period is less than thirty (30) days, then the prepayment shall be one hundred ten percent (110%) of the reasonable cost for such additional operation (including electrical power, bulbs and manpower), as estimated by the Requested Party; and
- (B) If the period is thirty (30) days or longer, then the prepayment shall be one hundred ten percent (110%) of the reasonable cost for such additional operation (including electrical power, bulbs and manpower) for thirty (30) days, as estimated by the Requested Party, and the Requesting Party shall renew such prepayment at the end of each thirty (30) day period.

If the Requesting Party is of the opinion that the estimated prepayment established by the Requested Party is greater than one hundred ten percent (110%) of such additional operation, the Parties shall attempt to agree upon the cost of such additional operation but if they cannot do so, then the amount the Requesting Party is obligated to pay shall be estimated by the electrical utility company furnishing such power, or if the electrical utility company elects not to do so, by a reputable electrical engineer. Upon the failure of a Requesting Party to pay the estimated amount or renew a prepayment as required hereby, the Requested Party shall have the right to discontinue such additional lighting and to exercise any other remedies herein provided. Any such request for additional lighting may be withdrawn or terminated at any time by written notice from the Requesting Party, and a new request or requests for changed hours of additional operation may be made from time to time.

The panel areas allocated to the Developer Tract, Target Tract Kohl's Tract and Home Depot Tract are designated on the Sign Exhibit. The design criteria for this sign structure, and identification panel designations, are shown on the Sign Exhibit.

Developer agrees to cause the Pylon Signs to be constructed in the locations designated on the Site Plan. Developer shall cause the identification panel for the Shopping Center name to be attached to the Pylon Signs, and Developer, Kohl's, Home Depot and Target shall cause their respective identification panels to be attached to the various sign structures when desired. Each Party shall cause the identification panel (including any backlit lighting) of its Occupant attached to or forming a part of the sign structure to be maintained at its sole cost and expense pursuant to Governmental Requirements, in a safe condition and in a good state of repair. In the event a Party elects not to attach an identification panel to the sign structure when initially constructed, but later decides to have its Occupant's identification panel attached thereto, then the Party making such later decision shall pay all costs, regardless of nature or origin, necessary to permit the attachment of such identification panel to the sign structure; provided however, that none of the previously attached identification panels on such sign structure shall be required to be modified or relocated in order to permit the attachment of such additional identification panel.

The Approving Parties shall have the right to approve any change, modification or alteration to the design and size of each Pylon Sign, including the identification panels to be attached thereto; provided, however, that the identification panel for an Occupant of more than sixty thousand (60,000) square feet of Floor Area shall not be subject to the approval of the Approving Parties so long as such identification panel is the standard prototype panel for said Occupant, as the same exists from time to time. Any Occupant occupying at least twenty-five thousand (25,000) square feet of Floor Area may have more than one (1) identification sign placed on the exterior of the Building it occupies.

No identification sign attached to the exterior of a Building shall be:

- (A) Placed on canopy roofs extending above the Building roof, placed on penthouse walls, or placed so as to project more than two (2) feet above the parapet, canopy or top of the wall upon which it is mounted.

- (E) Made utilizing (i) exposed neon tubes (excluding Portillo's as such restaurant concept is operated in first-class shopping centers as of the date of this OEA), (ii) exposed ballast boxes, (iii) exposed transformers, or (iv) exposed raceways unless such exposed raceways comply with the all of the following requirements: (a) the raceways shall not exceed two inches (2") in depth and/or twelve (12") in height; (b) the color of the raceways are the same color as the materials upon which such raceways are located; (c) all transformers are remote mounted behind the Building fascia; and (d) the letters to be installed on the raceways do not exceed a height of thirty-six inches (36").
- (F) Made of paper or cardboard, or be temporary in nature (exclusive of contractor signs), or be a sticker or decal; provided, however, the foregoing shall not prohibit the placement at the entrance of each Occupant's space of a small sticker or decal indicating hours of business, emergency telephone numbers, acceptance of credit cards and other similar items of information.

No Occupant of less than sixty thousand (60,000) square feet of Floor Area shall have an exterior sign which identifies leased departments and/or concessionaires operating under such Occupant's business or trade name, nor shall such sign identify specific brands or products for sale or services offered within a business establishment, unless such identification is used as part of the Occupant's trade name or is otherwise approved by the Approving Parties.

5.3.3 Notwithstanding anything contained herein to the contrary, each Party shall be permitted to place within the Common Area located on its Parcel the temporary display of leasing information and the temporary erection of one (1) sign identifying each contractor working on a construction job on its Parcel. Each Party shall have the obligation to operate, maintain and repair, in a clean, sightly and safe condition, all signs, including components thereof, located upon its Parcel pursuant to Section 5.3.2 or the provisions hereof. In addition, each Party may use a professionally prepared banner sign of not greater than fifty (50) square feet, and in any event, not longer than ten (10) feet in height or width, announcing such Party's "grand opening" or "Coming Soon" for a period not to exceed four (4) weeks after store opening.

Each Party (the "Releasing Party") hereby releases and waives for itself, and each Person claiming by, through or under it, each other Party (the "Released Party") from any liability for any loss or damage, to all property of such Releasing Party located upon any portion of the Shopping Center, which loss or damage is of the type covered by the insurance required to be maintained under this Section 5.4.3, irrespective of (i) any negligence on the part of the Released Party which may have contributed to or caused such loss, or (ii) the amount of such insurance required or actually carried, including any deductible or self insurance reserve. Each Releasing Party agrees to use its reasonable efforts to obtain, if needed, appropriate endorsements to its policies of insurance, and to the policies of insurance carried by its Occupants, with respect to the foregoing release and waiver; provided, however, that failure to obtain such endorsements shall not affect the release and waiver hereinabove given.

Each Party agrees to defend, protect, indemnify and hold harmless each other Party from and against all claims or demands, including any action or proceeding brought thereon, and all costs, losses, expenses and liabilities of any kind relating thereto, including reasonable attorneys' fees and cost of suit asserted by or through any Occupant of the indemnifying Party's Parcel for any loss or damage to the property of such Occupant located upon the indemnifying Party's Parcel, which loss or damage would have been covered by the insurance required to be maintained under this Section 5.4.3. In addition, the Releasing Party's release and waiver shall include any claim for loss of rent and/or profits.

To the extent any deductible is permitted or allowed as a part of any insurance policy carried by a Party pursuant to this Section 5.4, such Party shall be deemed to be covering the amount thereof under an informal plan of self-insurance; provided, however, that in no event shall any deductible exceed \$50,000.00 in Constant Dollars unless such Party complies with the requirements regarding self-insurance pursuant to (iv) above. Each Party and Operator, if any, agrees to furnish to any Party requesting the same, a certificate(s) of insurance, or statement of self-insurance, as the case may be, or the Web address where such insurance information is contained, evidencing that the insurance required to be carried by such Party or Operator, as the case may be, is in full force and effect.

Nothing contained herein shall prevent any Party from contesting at its cost and expense any taxes and assessments with respect to its Parcel in any manner such Party elects, so long as such contest is maintained with reasonable diligence and in good faith. At the time such contest is concluded (allowing for appeal to the highest appellate court), the contesting Party shall promptly pay all taxes and assessments determined to be owing, together with all interest, penalties and costs thereon.

## ARTICLE VI - MISCELLANEOUS

### 6.1 Default

6.1.1 The occurrence of any one or more of the following events shall constitute a material default and breach of this OEA by the non-performing Party (the "Defaulting Party"):

- (A) The failure to make any payment required to be made hereunder within ten (10) days after written notice that the same are past due has been provided the Defaulting Party.
- (B) The failure to observe or perform any of the covenants, conditions or obligations of this OEA, other than as described in (A) above, within thirty (30) days after the giving of a notice by another Party or Operator, as the case may be (the "Non-Defaulting Party") specifying the nature of the default claimed; provided however, if such default cannot reasonably be cured within said 30-day period, then, provided the Defaulting Party notifies the Non-Defaulting Party of such claimed inability to cure and the Defaulting Party begins to cure the default within said 30-day period and is diligently pursuing such cure, the Defaulting Party shall be entitled to additional time, not to exceed sixty (60) additional days, to cure such default.

6.1.2 With respect to any default under Section 6.1.1 (B), any Non-Defaulting Party shall have the right following the expiration of any applicable cure period, if any, but not the obligation, to cure such default by the payment of money or the performance of some other action for the account of and at the expense of the Defaulting Party; provided, however, that in the event such default shall constitute an emergency condition, the Non-Defaulting Party, acting in good faith, shall have the right to cure such default upon such advance notice as is reasonably possible under the circumstances or, if necessary, without advance notice, so long as notice is given as soon as possible thereafter. To effectuate any such cure, the Non-Defaulting Party shall have the right to enter upon the Parcel of the Defaulting Party (but not into any Building) to perform any necessary work or furnish any necessary materials or services to cure the default of the Defaulting Party. Each Party shall be responsible for the default of its Occupants. In the event any Non-Defaulting Party shall cure a default, the Defaulting Party shall reimburse the Non-Defaulting Party for all costs and expenses incurred in connection with such curative action, plus Interest, within ten (10) days after receipt of demand therefor, together with reasonable documentation supporting the expenditures

made. In the event the Defaulting Party does not reimburse the Non-Defaulting Party as set forth above, in addition to any other remedy available, the Non-Defaulting Party shall have the right to offset such amount owed against any current or future sum of money due the Defaulting Party until the full amount owed is recovered.

The right to cure the default of another Party shall not be deemed to:

- (A) Impose any obligation on a Non-Defaulting Party to do so.
- (B) Render the Non-Defaulting Party liable to the Defaulting Party or any third party for an election not to do so.
- (C) Relieve the Defaulting Party from any performance obligation hereunder.
- (D) Relieve the Defaulting Party from any indemnity obligation as provided in this OEA.

6.1.3 The cost and expense incurred to cure a default, and/or any Interest accruing with respect to a default, shall constitute a lien against the Defaulting Party's Parcel. Such lien shall attach and take effect only upon recordation of a claim of lien in the office of the Recorder of the County of the State in which the Shopping Center is located by the Party making such claim. The claim of lien shall include the following:

- (A) The name of the lien claimant.
- (B) A statement concerning the basis for the claim of lien and identifying the lien claimant as a Non-Defaulting Party.
- (C) An identification of the owner or reputed owner of the Parcel or interest therein against which the lien is claimed.
- (D) A description of the Parcel against which the lien is claimed.
- (E) A description of the work performed which has given rise to the claim of lien and a statement itemizing the amount thereof.
- (F) A statement that the lien is claimed pursuant to the provisions of this OEA, reciting the date and document number of recordation hereof. The notice shall be duly verified, acknowledged and contain a certificate that a copy thereof has been served upon the Party against whom the lien is claimed, by personal service or by mailing pursuant to Section 6.4 below. The lien so claimed shall attach from the date of recordation solely in the amount claimed thereby and may be enforced in any judicial proceedings.

allowed by law, including without limitation, a suit in the nature of a suit to foreclose a mortgage/deed of trust or mechanic's lien under the applicable provisions of the law of the State in which the Shopping Center is located. The lien shall be subject and subordinate to any mortgage or deed of trust which is of record before the claim of lien is placed of record.

6.1.4 Each Non-Defaulting Party shall have the right to prosecute any proceedings at law or in equity against any Defaulting Party hereto, or any other Person, violating or attempting to violate or defaulting upon any of the provisions contained in this OEA, and to recover damages for any such violation or default. Such proceeding shall include the right to restrain by injunction any violation or threatened violation by another Party or Person of any of the terms, covenants or conditions of this OEA, or to obtain a decree to compel performance of any such terms, covenants or conditions, it being agreed that the remedy at law for a breach of any such term, covenant or condition (except those, if any, requiring the payment of a liquidated sum) is not adequate. All of the remedies permitted or available to a Party under this OEA or at law or in equity shall be cumulative and not alternative, and the invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right or remedy. If a Party brings an action of law or in equity to enforce the terms and provisions of this OEA, the prevailing Party as determined by the Court in such action shall be entitled to recover reasonable attorneys' fees and court costs for all stages of litigation, including but not limited to, appellate proceedings, in addition to any remedy granted.

## 6.2 Interest

Any time a Party or Operator, if any, shall not pay any sum payable hereunder to another Party within five (5) days of the due date, such delinquent Party or Operator shall pay interest on such amount from the due date to and including the date such payment is received by the Party entitled thereto, at the lesser of:

- (A) The highest rate permitted by law to be either paid on such type of obligation by the Party obligated to make such payment or charged by the Party to whom such payment is due, whichever is less.
- (B) The prime rate, plus three percent (3%). As used herein, "prime rate" shall mean the rate of interest published from time to time as the "Prime Rate" in the Wall Street Journal under the heading "Money Rates"; provided, however, that (i) if more than one such rate is published therein the prime rate shall be the highest such rate and (ii) if such rate is no longer published in the Wall Street Journal or is otherwise unavailable, the prime rate shall be a substantially comparable index of short term loan interest rates charged by U.S. banks to corporate borrowers selected by the Approving Parties.

### 6.3 Estoppel Certificate

Each Party and Operator, if any, agrees that upon written request (which shall not be more frequent than three (3) times during any calendar year) of any other Party or Operator, it will issue within thirty (30) days after receipt of such request to such Party, or its prospective mortgagee or successor, an estoppel certificate stating to the best of the issuer's knowledge as of such date:

- (A) Whether it knows of any default under this OEA by the requesting Party, and if there are known defaults, specifying the nature thereof in reasonable detail.
- (B) Whether this OEA has been assigned, modified or amended in any way by it and if so, then stating the nature thereof in reasonable detail.
- (C) Whether this OEA is in full force and effect.

Such estoppel certificate shall act to estop the issuer from asserting a claim or defense against a bona fide encumbrancer or purchaser for value to the extent that such claim or defense is based upon facts known to the issuer as of the date of the estoppel certificate which are contrary to the facts contained therein, and such bona fide purchaser or encumbrancer has acted in reasonable reliance upon such estoppel certificate without knowledge of facts to the contrary. The issuance of an estoppel certificate shall in no event subject the issuer to any liability for the negligent or inadvertent failure of the issuer to disclose correct and/or relevant information, nor shall such issuance be construed to waive any rights of the issuer to perform an audit or obtain an adjustment with respect to Common Area Maintenance Costs for any year it is entitled to do so, or to challenge acts committed by other Parties for which approval by the Approving Parties was required but not sought or obtained.

### 6.4 Notices

#### 6.5 Approval Rights

6.5.1 Except as otherwise specifically provided in this OEA, with respect to any matter as to which a Party has specifically been granted an approval right under this OEA, nothing contained in this OEA shall limit the right of a Party to exercise its business judgment in its sole discretion, whether or not "objectively" reasonable under the circumstances, and any such decision shall not be deemed inconsistent with any covenant of good faith and fair dealing which may be implied by law to be part of this OEA. The Parties intend by this OEA to set forth their entire

understanding with respect to the terms, covenants, conditions and standards pursuant to which their obligations are to be judged and their performance measured.

6.5.2 Unless provision is made for a specific time period, each response to a request for an approval or consent required to be considered pursuant to this OEA shall be given by the Party to whom directed within thirty (30) days after receipt thereof. Each disapproval shall be in writing and, subject to Section 6.5.1, the reasons therefor shall be clearly stated. If a response is not given within the required time period, the requested Party shall be deemed to have given its approval if the original notice stated in capitalized letters that failure to respond within the applicable time period will be deemed an approval. Notwithstanding anything contained herein to the contrary, the provisions of this Section 6.5 do not apply in any manner or fashion to any request which requires an amendment to this OEA, such requests being governed solely by the provisions of Section 6.8.5.

6.5.3 If the Approving Parties' approval is required for any matter under this OEA, such approval shall only be effective if unanimous approval is given.

#### 6.6 Condemnation

In the event any portion of the Shopping Center shall be condemned, or conveyed under threat of condemnation, the award shall be paid to the Party owning the Parcel or the improvements taken, and the other Parties hereby waive and release any right to recover any value attributable to the property interest so taken, except that (i) if the taking includes improvements belonging to more than one (1) Party, such as Utility Lines, the Common Drives or Signs, the portion of the award allocable thereto shall be used to relocate, replace or restore such jointly owned improvements to a useful condition, and (ii) if the taking includes easement rights which are intended to extend beyond the term of this OEA, the portion of the award allocable to each such easement right shall be paid to the respective grantees thereof. In addition to the foregoing, if a separate claim can be filed for the taking of any other property interest existing pursuant to this OEA which does not reduce or diminish the amount paid to the Party owning the Parcel or the improvement taken, then the owner of such other property interest shall have the right to seek an award for the taking thereof. Except to the extent they burden the land taken, no easement or license set forth in this OEA shall expire or terminate based solely upon such taking.

#### 6.7 Binding Effect

The terms of this OEA and all easements granted hereunder shall constitute covenants running with the land and shall bind the Parcels described herein and inure to the benefit of and be binding upon each Party. This OEA is not intended to supersede, modify, amend or otherwise change the provisions of any prior instrument affecting the land burdened hereby.

#### 6.8 Construction and Interpretation

6.8.1 This OEA and the Exhibits hereto contain all the representations and the entire agreement between the Parties with respect to the subject matter hereof, and any prior negotiations, correspondence, memoranda or agreements are superseded in total hereby. This OEA has been fully negotiated at arms length between the signatories hereto, and after advice by counsel and other

representatives chosen by such Parties, and such Parties are fully informed with respect thereto; no such Party shall be deemed the scrivener of this OEA; and, based on the foregoing, the provisions of this OEA and the Exhibits hereto shall be construed as a whole according to their common meaning and not strictly for or against any Party.

6.8.2 Whenever required by the context of this OEA, (i) the singular shall include the plural, and vice versa, and the masculine shall include the feminine and neuter genders, and vice versa, and (ii) use of the words "including", "such as", or words of similar import, when following any general term, statement or matter shall not be construed to limit such statement, term or matter to specific items, whether or not language of non-limitation, such as "without limitation", or "but not limited to", are used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest scope of such statement, term or matter. Whenever this OEA imposes an obligation upon a Party to perform an action (e.g. obtain a policy of insurance) such obligation shall be deemed satisfied if such Party has caused such obligation to be performed regardless of whether such Party has itself performed such action; provided however, that nothing shall relieve such Party from responsibility for complying or causing compliance with the terms and provisions of this OEA.

6.8.3 The captions preceding the text of each article and section of this OEA are included only for convenience of reference. Captions shall be disregarded in the construction and interpretation of this OEA. Capitalized terms are also selected only for convenience of reference and do not necessarily have any connection to the meaning that might otherwise be attached to such term in a context outside of this OEA.

6.8.4 Invalidity of any of the provisions contained in this OEA, or of the application thereof to any Person by judgment or court order, shall in no way affect any of the other provisions hereof or the application thereof to any other Person and the same shall remain in full force and effect.

6.8.5 This OEA may be amended by, and only by, a written agreement signed by all of the then current Approving Parties and shall be effective only when recorded in the county and state where the Shopping Center is located; provided, however, that no such amendment shall impose any materially greater obligation on, or materially impair any right of, a Party or its Parcel unless such Party has joined in the execution of such amendment. No agreement to any amendment of this OEA shall ever be required of any Occupant or Person other than the Parties, nor shall any Occupant or Person other than the Parties have any right to enforce any of the provisions hereof. Since the submission of a proposed amendment to the Parties is not an item of "consent" or "approval", each Party may consider any proposed amendment to this OEA in its sole and absolute discretion without regard to reasonableness or timeliness.

6.8.6 This OEA, and any amendments thereto, may be executed in several counterparts, each of which shall be deemed an original. The signatures may be executed and notarized on separate pages, and when attached to each other shall constitute one (1) complete document.

6.9 Negation of Partnership

None of the terms or provisions of this OEA shall be deemed to create a partnership between or among the Parties in their respective businesses or otherwise, nor shall it cause them to be considered joint venturers or members of any joint enterprise. Each Party shall be considered a separate owner, and no Party shall have the right to act as an agent for another Party, unless expressly authorized to do so herein or by separate written instrument signed by the Party to be charged.

6.10 Not a Public Dedication

Nothing herein contained shall be deemed to be a gift or dedication of any portion of the Shopping Center or of any Parcel or portion thereof to the general public, or for any public use or purpose whatsoever. Except as herein specifically provided, no right, privileges or immunities of any Party hereto shall inure to the benefit of any third-party Person, nor shall any third-party Person be deemed to be a beneficiary of any of the provisions contained herein.

6.11 Excusable Delays

Whenever performance is required of any Party hereunder, such Party shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if completion of performance shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing or other labor disputes, unavailability of labor or materials, damage to work in progress by reason of fire or other casualty, or any cause beyond the reasonable control of such Party, then the time for performance as herein specified shall be appropriately extended by the amount of the delay actually so caused. The provisions of this Section 6.11 shall not operate to excuse any Party from the prompt payment of any monies required by this OEA.

6.12 Mitigation of Damages

In all situations arising out of this OEA, each Party and Operator, if any, shall attempt to avoid and mitigate the damages resulting from the conduct of any other Party. Each Party shall take all reasonable measures to effectuate the provisions of this OEA.

6.13 OEA Shall Continue Notwithstanding Breach

It is expressly agreed that no breach of this OEA shall (i) entitle any Party to cancel, rescind, or otherwise terminate this OEA, or (ii) defeat or render invalid the lien of any mortgage or trust deed made in good faith and for value as to any part of the Shopping Center. However, such limitation shall not affect in any manner any other rights or remedies which a Party may have hereunder by reason of any such breach.

6.14 Time

Time is of the essence of this OEA.

#### 6.15 No Waiver

The failure of any Party to insist upon strict performance of any of the terms, covenants or conditions hereof shall not be deemed a waiver of any rights or remedies which that Party may have hereunder, at law or in equity, and shall not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions. No waiver by any Party of any default under this OEA shall be effective or binding on such Party unless made in writing by such Party and no such waiver shall be implied from any omission by a Party to take action in respect to such default. No express written waiver of any default shall affect any other default or cover any other period of time other than any default and/or period of time specified in such express waiver. One (1) or more written waivers of any default under any provision of this OEA shall not be deemed to be a waiver of any subsequent default in the performance of the same provision or any other term or provision contained in this OEA. The failure of a Party to provide a Reconciliation or statement for amounts owed within a specified time shall not act as a waiver of such Party's right to collect such amount upon the later issuance of the required Reconciliation or statement.

#### 6.16 Authority

Each Party represents and warrants to the other Parties that the Person executing this OEA on behalf of said Party has been fully empowered to execute and deliver this document and that no further action is required on behalf of such Party to bind it to the terms and provisions herein contained.

#### 6.17 Attorney's Fees.

If any Party brings an action of law or in equity to interpret or enforce this OEA, the prevailing Party as determined by the Court in such action shall be entitled to recover reasonable attorney's fees and court costs for all stages of litigation, including but not limited to, appellate proceedings, in addition to any other remedy granted.

### ARTICLE VII - TERM

#### 7.1 Term of this OEA

This OEA shall be effective as of the date first above written and shall continue in full force and effect until 11:59 p.m. on April 30, 2076; provided, however, that (i) the easements referred to in Article II hereof which are specified as being perpetual or as continuing beyond the term of this OEA shall continue in full force and effect as provided herein, (ii) the building covenants and restrictions set forth in Section 3.3.4 hereof shall continue in full force and effect so long as an "unlimited area building" exists within the Unlimited Building Area or is being reconstructed and (iii) except as otherwise specifically provided in this OEA. Except as provided in the preceding sentence, upon the termination of this OEA, all rights and privileges derived from and all duties and obligations created and imposed by the provisions of this OEA shall terminate and have no further force or effect; provided, however, that the termination of this OEA shall not limit or affect any remedy at law or in equity that a Party may have against

any other Party with respect to any liability or obligation arising or to be performed under this OEA prior to the date of such termination.

## ARTICLE VIII - EXCULPATION

### 8.1 Certain Limitations on Remedies

None of the Persons comprising a Party (whether partners, shareholders, officers, directors, members, trustees, employees, beneficiaries or otherwise) shall ever be personally liable for any judgment obtained against a Party. Each Party agrees to look solely to the interest in the Shopping Center of a Defaulting Party for recovery of damages for any breach of this OEA; provided, however, the foregoing shall not in any way impair, limit or prejudice the right of a Party:

- (A) Casualty Insurance and Condemnation Proceeds. To recover from a Party all damages and costs on account of, or in connection with, such Party's failure to apply or use casualty insurance or condemnation proceeds in accordance with the terms of this OEA.
- (B) Hazardous Substances. To recover from a Party all damages and costs arising out of or in connection with, or on account of, a breach by such Party of its obligations under Section 5.1.3.
- (C) Liability Insurance and Indemnity. To recover from a Party all damages and costs arising out of or in connection with, or on account of, either a breach by such Party of its obligations under Section 5.4, or a failure by such Party to satisfy any indemnity obligation required of it under this OEA.
- (D) Taxes, Assessments and Liens. To recover from a Party all damages and costs arising out of or in connection with, or on account of, the failure by such Party to pay when due any tax, assessment or lien as specified in Section 5.5 and Section 6.1.
- (E) Fraud or Misrepresentation. To recover from a Party all damages and costs as a result of any fraud or misrepresentation by such Party in connection with any term, covenant or condition in this OEA.
- (F) Equitable Relief; Costs. To pursue equitable relief in connection with any term, covenant or condition of this OEA, including a proceeding for temporary restraining order, preliminary injunction, permanent injunction or specific performance, and recover all costs, including Interest thereon, relating to such enforcement action.

## ARTICLE IX - SALES TAX REPORTING

### 9.1 Sales Tax Reporting

In connection with certain agreements entered into between Developer and the United City of Yorkville, Illinois ("City"), the sales tax information for each Owner and Approving Party's entire retail operation at the Kendall Marketplace Shopping Center ("Shopping Center") and the Kendall Marketplace Business District ("Business District") must be reported to the City. Each Approving Party hereby agrees to (i) authorize the State of Illinois to release such sales tax report of the Approving Party to the City; (ii) execute and deliver to Developer the "Authorization" attached hereto as Exhibit I ("Documentation"); (iii) and execute and deliver such other or additional sales tax reporting forms and supporting documentation as may be required by the City, State of Illinois, or any other governmental agency having jurisdiction thereof ("Additional Documents"), provided the Approving Party has prior written notice of such Additional Documents and the required timeframes for delivery thereof, such Additional Documents require substantially similar information as the Authorization and such Additional Documents do not require the Approving Party to disclose information that the Approving Party reasonably deems to be proprietary or confidential; and do not impose any additional costs, expenses or liability adverse to the interests of an Approving Party. The requirements contained herein shall be applicable to each and every Occupant. Each Approving Party shall require all such Occupants of its Tract to execute and deliver the Authorization and/or Documentation to Developer.

2. **Figure 1** shows the results of the regression analysis. The dependent variable is the number of days of absence from work due to illness. The independent variables are the age, sex, and education of the respondent, and the number of children in the household. The results show that the number of days of absence from work due to illness increases with age, and is higher for females than for males.
