

**Culture Submission form for Microbial Identification Service**  
**INFORMATION REQUIRED FOR SAMPLE SUBMISSION**

1. Type of Sample (please select one of the following):

Bacteria Fungi Yeast

2. Details regarding Culture

2.1 Source of the Sample : Human Animal Soil Sea Others

2.2 Microscopic view: Yes No

2.3 Gram Test for Bacteria: Positive Negative

2.4 Characteristics of Culture : Pathogenic Non Pathogenic

3. Growth Conditions :

3.1 Temperature : \_\_\_\_\_

3.2 Growth Media :

Nutrient Agar Nutrient Broth LB Media YPD PDP

OR

*If specific media is req, please provide constituents in powder form for 100 ml preparation per sample with description*

(page 2)

3.3 Time Duration : \_\_\_\_\_

4. Is this material hazardous to: i) Humans? Yes No      Animals? Yes No

Plants? Yes No

ii) Unknown Yes No

5. Additional Comments:

**Media Description :** ( for preparation of media for 100 ml per sample)
