**NOTES:**

Pricing is based on NET prices per project specifications. If special considerations are required, contact Barbican Walls directly. Net pricing will be sent based on lineal footage. No drawing will be provided with budgetary quotes unless a typical is requested. **Under no circumstances should a Pricing Proposal be used for FINAL project pricing.**

**REQUEST FOR QUOTATION DETAILS: ALL PRODUCTS**

Please note: Fully dimensioned drawings (preferably DWG format) are to be submitted for each quotation request. Pricing Proposals are returned on a Quotation Summary Form, and do not include drawings, unless a typical is requested. Once a Purchase Order or Letter of Intent is received, a complete set of shop drawings will be created. **Specification fees will apply after second revision.**

**SPECIFICATION SUPPORT POLICY**

While Barbican is pleased to support the specification process and provision of specification services, purchasers are cautioned that this support(s) does not in any way represent any acceptance of liability or responsibility on the part of Barbican associated with specification services provided. It is the responsibility of the purchaser to ensure the specifications are ultimately accurate and complete. Barbican expressly denies any responsibility or liability associated with errors and/or inaccuracies in specification. The placement of a purchase order referencing specifications prepared by Barbican shall imply that the purchaser has reviewed the specifications and has accepted such specifications as being accurate and complete. Pricing valid for a period of 30 days from date of quotation. It is the purchaser's responsibility to review wall layout and dimensions against site dimensions to ensure accurate wall layout placement.
