

Core Course Waiver Form

The foundational physics topics are covered in the six core graduate courses listed below, with more detailed descriptions provided here: [course catalog](#). Please fill out this form and return it to the Graduate Program Director in order to request course waivers, in the event that you have successfully passed comparable courses at another university.

Name: _____

Courses completed at: _____

UMass Course	Comparable Course	Grade	Syllabus?	GPD Approval
PHYS 601 Classical Mechanics	Course: Textbook:			
PHYS 602 Statistical Mechanics	Course: Textbook:			
PHYS 605 Methods of Mathematical Physics	Course: Textbook:			
PHYS 606 Classical Electrodynamics	Course: Textbook:			
PHYS 614 Quantum Mechanics I	Course: Textbook:			
PHYS 615 Quantum Mechanics II	Course: Textbook:
