IUPUI

Chronic leaks or other equipment concerns are to be reported to IUPUI Environmental Health and Safety at (317) 274-4351.

Campus personnel are instructed to report all other spills or releases, including those covered by the intention and scope of this plan, according to the provisions of the current edition of the IUPUI Emergency Procedures flip chart and according to the chemical spill reporting provisions of Indiana University Environmental Policy.

Internal and external emergency contacts telephone numbers needed in the event of a major spill or release on the IUPUI Campus are maintained in the current edition of the *IUPUI Hazardous Materials Contingency Plan and Emergency Procedures*. IUPUI EHS is solely responsible for making any and all external contacts or notifications.

IUPUI maintains a 24-hour hazardous materials emergency response team, maintains an on-call response schedule and maintains a list of appropriate contact information for response team members.
