

On-Street Survey/Questionnaire
Keynsham High Street One Way Trial (Jan 2018)

The consultation runs until 5pm on 1st March 2018. Responses can be left in the drop off box at Keynsham Library – please speak to library staff if you require any help locating it.

Introduction

The purpose of this questionnaire is to help Bath & North East Somerset Council understand what residents and visitors think about the Keynsham High Street One Way Trial. The Council would also like to hear views on what the top priorities should be for the wider town centre in the future. The results will be presented to Elected Members so that they can decide the best way forward for the future.

Before answering, it may be helpful to read the summary of the monitoring results to date, including traffic, parking, footfall and air quality. (Please see information sheet if completing the survey in Keynsham Library)

Please select only one answer to each question. Please select the answer by circling it.

*If you would prefer to complete the survey online, please visit: **www.bathnes.gov.uk/keynsham***

About you

Q1. In terms of this survey, are you responding as (select one):

- An individual
- A couple
