

Club Car Maintenance Checklist

Vehicle Information

- **Model:** _____
- **Type:** Gas/Electric/Battery-Powered
- **Last Service Date:** _____
- **Club Use:** _____

Daily/Before Use

- ☐ Check tire pressure and condition.
- ☐ Inspect brakes and ensure they function properly.
- ☐ Verify steering operation and smoothness.
- ☐ Ensure headlights and taillights work (if equipped).
- ☐ Look for visible damage or loose components.

Weekly

- ☐ Clean the exterior and undercarriage of dirt and debris.
- ☐ Check oil level (for gas models) or battery charge level (for electric models).
- ☐ Inspect cables and wiring for wear or damage.
- ☐ Test horn and warning signals (if applicable).

Monthly

- ☐ Lubricate steering components and suspension.
- ☐ Check the alignment and adjust if needed.
- ☐ Inspect fuel system (gas models) or battery health (electric models).
- ☐ Replace air filter (gas models).

Seasonal Maintenance

- ☐ Clean and inspect the battery terminals for corrosion.
- ☐ Rotate tires for even wear.
- ☐ Flush cooling system (if equipped).
- ☐ Replace spark plug (gas models).
