

School of Nursing

FNP Personal Statement Instructions:

The mission of the Touro University Nevada is to prepare graduates who demonstrate commitment to social justice, intellectual pursuit, and service to humanity.

Applicants of the FNP program should have a clear understanding of the Advanced Practice Registered Nurse (APRN) role and population focus of the Family Nurse Practitioner (FNP). Family Nurse Practitioner (FNP) students will prepare to deliver advanced family-focused nursing care to promote health and manage complex disease states for pediatric, adult, and geriatric populations (NCSBN, 2008).

Reflecting on the population focus of the Family Nurse Practitioner (FNP) and the mission of TUN please submit a personal statement discussing the following:

1. Discuss how transitioning into the role of Family Nurse Practitioner will align with your professional goals and the mission of TUN.
2. Identify the knowledge, skills, and/abilities you possess that will enable you to successfully earn the designation of Family Nurse Practitioner.
3. Describe why you have chosen to apply to Touro University Nevada's FNP program.
