

## Core Values Checklist

Core Values- the principles that dictate behavior and action. Core values are the fundamental beliefs of a person or organization. The core values are the guiding principles that dictate behavior and action. Core values can help people to know what is right from wrong; they can help companies to determine if they are on the right path and fulfilling their business goals; and they create an unwavering and unchanging guide. Here is a list of some potential core values. You may find yours here or you may add others.
