

## Subscription to our electronic mailing list // Consent to the processing of personal data

Following your request, you are registered on our mailing list.

All of the personal data contained in that list are managed by the Press and Information Unit of the Court of Justice of the European Union, in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the EU institutions, bodies, offices and agencies and on the free movement of such data. The person responsible for the processing of those data is the Head of the Press and Information Unit of the Court of Justice (L-2925 Luxembourg, tel. +352 4303 2035).

Personal data is stored for the purposes of the administrative and technical management of the mailing list (including other means of contact with the persons on the list, if necessary) in a database to which direct access is limited to the members of the Press and Information Unit of the Court of Justice of the European Union.

You can withdraw the present consent at any time, without compromising the lawfulness of the processing based on the consent given before that withdrawal, and thus request that your subscription to the mailing list be stopped by writing to this email address: [Presseinfo-EN@curia.europa.eu](mailto:Presseinfo-EN@curia.europa.eu) (requests may also be sent to the email box of the language cell with which you were in contact when registering). Stopping your subscription will result in the removal of the data relating to you as quickly as possible (in the cases provided for in Article 19(1) of the regulation). You will be informed of any deletion of your personal data.

You can also contact us at any time if you have any questions regarding the processing of your data.

You can also contact the data protection officer of the Court of Justice of the European Union at [DataProtectionOfficer@curia.europa.eu](mailto:DataProtectionOfficer@curia.europa.eu).
