Allergies or Special Needs:

Play (Check one): My dog **can play** with others My dog **cannot play** with others

By checking the "can play" box, I am giving Doe Creek Kennels permission to socialize my dog with other dogs (and I accept the risks of injury). I understand that the level of socialization depends on the sizes and temperaments of all of the dogs. By checking the "cannot play" box, I understand that my dog's playtime may be limited.
