

Learning Momma's Baby Registry Checklist

Must Have's:

- ☐ Crib
- ☐ Crib Mattress – I recommend a water-proof option!
- ☐ Car Seat – Does it snap in and out of your stroller easily?
- ☐ Stroller – I recommend a stroller that has a seat as well as the ability to clip in car seat.
- ☐ Changing Table
- ☐ Medical Kit – make sure it includes a nail clippers & thermometer!
- ☐ Velcro Swaddles – I recommend adding some in both small and medium. Your baby will grow into the mediums fast but the mediums are too big to securely swaddle a newborn.
- ☐ Baby Monitor – I highly recommend a video monitor!
- ☐ Bottles – I recommend a set with 4 oz. to 9 oz. bottles since baby's volume needs change quickly in the first year.
- ☐ Diaper Bag
- ☐ White Noise Machine
- ☐ Changing Pad
- ☐ Changing Pad Cover – I highly recommend a changing pad cover that can be wiped!
- ☐ Crib Sheets
- ☐ Baby Bathtub – I recommend a bathtub with a mesh newborn sling.
- ☐ Electric Breast Pump – Before you add this to your registry, make sure to check with your insurance about a free one!
- ☐ Breastmilk Storage Bags
