

Our Patients' Donation Wish List

MemorialCare Miller Children's & Women's Hospital Long Beach depends on the generosity of our friends in the community as we strive to provide the finest medical care for our patients and their families. Monetary donations and gift cards to the Child Life Program help to ensure that patients and families are provided with comforting and engaging items such as toys, books, stuffed animals, games and craft materials. These resources are used throughout the year at Miller Children's & Women's in the hospital's numerous playrooms and patient rooms, as a way to support and entertain a child during their hospital experience. Donations also allow for patients to select a gift following the completion of a procedure or to celebrate a significant event such as a birthday, holiday or the end of treatment.

To provide a monetary donation toward these valuable resources and services, please make your check out to Memorial Medical Center Foundation (MMCF)/Child Life and mail it to MMCF, 2801 Atlantic Ave., Long Beach, CA 90806. You may also give online at MillerChildrens.org/Giving and select "Child Life Program" from the menu.

For additional donation options, visit Starlight.org. Click on "Fulfill" and search for Miller Children's.
